Universal Soup Adventures In Story Collecting:

Universal Soup Burt Sinanan, 2015-05-13 *Universal Soup* is a collection of adventures tied together by a traveler named Beni who is searching for his identity and purpose. He comes across ordinary people who have lived through extraordinary circumstances. He listens, learns, and interacts, forming lasting relationships out of his experiences. Beni uses the essence of his recipe-laced adventures and memories to answer questions of life and to heal invisible, matted feelings of nostalgia and regret. He exposes his thoughts on the perceptions of human existence through maddening conversations and then delves into the mysteries of the universe which he adores and links to our very core. *Universal Soup* is a book for everyone. You are guaranteed to find a part of yourself rising off these pages. Burt Sinanan is a first-time novelist. He is an engineer from Trinidad and Tobago who travels for work and play. Mostly play. *Universal Soup* was written in London and inspired by time and conversations with a global network of passionate, extraordinary friends.
