Freedom of Religion at Stake Dion A. Forster, Elisabeth Gerle, Goran Gunner, 2019-11-01 How can freedom of religion protect the dignity of every human being and safeguard the well being of creation This question arises when considering the competing claims among faith traditions states and persons Freedom of religion or belief is a basic human right and yet it is sometimes used to undermine other

human rights This volume seeks to unpack and wrestle with some of these challenges In order to do so scholars were invited from different contexts in Africa and Europe to write about freedom of religion from various angles How should faith traditions in a minority position be protected against majority claims and what is the responsibility of the religious communities in this task When does the state risk overstepping its boundaries in the delicate balance between freedom of religion and other human rights How can new voices who claim their human rights in relation to gender roles reproductive rights and as sexual minorities be heard within their faith traditions These are some of the questions that are raised by the authors This is a book for all who are engaged in faith communities leaders as well as people trying to be recognized It is also important reading for all interested in international legal frameworks for freedom of religion state advisers and human right defenders

Challenges For Diagnosis, Treatment And Elimination Of Malaria Gisely Melo,Tais Nobrega De Sousa,Manuela Berto Pucca,Giselle Maria Rachid Viana,2024-04-26 Malaria is a major cause of death in tropical and sub tropical countries presenting about 627 000 deaths and 241 million cases in the world Malaria is still an important public health problem that needs to be more effectively controlled Delays in diagnosis and treatment are responsible for the most deaths in many countries Moreover in most of malaria endemic countries the lack of resources is a huge barrier to reliable and timely diagnosis

researchers Handbook of Environmental Engineering contains the most recent information to enable a clear understanding of major environmental issues *Routledge Handbook of Water Law and Policy* Alistair Rieu-Clarke, Andrew Allan, Sarah Hendry, 2017-02-24 Water plays a key role in addressing the most pressing global challenges of our time including climate change adaptation food and energy security environmental sustainability and the promotion of peace and stability This comprehensive handbook explores the pivotal place of law and policy in efforts to ensure that water enables positive responses to these challenges and provides a basis for sound governance The book reveals that significant progress has been made in recent decades to strengthen the governance of water resource management at different scales including helping to address international and sub national conflicts over transboundary water resources It demonstrates that effective laws and policies are fundamental drivers for the safe equitable and sustainable utilization of water However it is also shown that what might constitute an effective law or policy related to water resources management is still hotly debated As such the handbook provides an important and definitive reference text for all studying water governance and management **Africa, the African Union and the International Criminal Court** Marshet Tadesse Tessema, Marlen Vesper-Gräske, 2016-04-08

The Design of Frontier Spaces Carolyn Loeb, Andreas Luescher, 2016-03-09 In a globalizing world frontiers may be in flux but they remain as significant as ever New borders are established even as old borders are erased Beyond lines on maps however borders are spatial zones in which distinctive architectural graphic and other design elements are deployed to signal the nature of the space and to guide if not actually control behaviour and social relations within it This volume unpacks how manipulations of space and design in frontier zones historically as well as today set the stage for specific kinds of interactions and convey meanings about these sites and the experiences they embody Frontier zones organize an array of functions to facilitate the passage of goods information and people and to define and control access Bringing together studies from Asia Africa the Middle East Europe and North America this collection of essays casts a wide net to consider borders of diverse sorts Investigations of contemporary political frontiers are set within the context of examinations of historical borders borders that have existed within cities and virtual borders This range allows for reflection on shifts in how frontier zones are articulated and the impermanence of border emplacements as well as on likely scenarios for future frontiers This text is unique in bringing together a number of scholarly perspectives in the arts and humanities to examine how spatial and architectural design decisions convey meaning shape or abet specific social practices and stage memories of frontier zones that no longer function as such It joins and expands discussions in social science disciplines in which considerations of border practices tend to overlook the role of built form and material culture more broadly in representing social practices and meanings Handbook of Research on Emerging Trends and Technologies in Librarianship Ekoja, Innocent Isa, Ogbomo, Esoswo Francisca, Okuonghae, Omorodion, 2022-01-07 A fundamental dynamism of the library is its continuous adoption of trending technologies and innovations for enhanced service delivery To meet the needs of library users in the Fourth

Industrial Revolution an era characterized by digital revolution knowledge economy globalization and information explosion libraries have embraced innovations and novel technologies such as artificial intelligence blockchain social mediation tools and the internet of things IoT The Handbook of Research on Emerging Trends and Technologies in Librarianship documents current research findings and theoretical studies focused on innovations and technologies used in contemporary libraries This book provides relevant models theoretical frameworks the latest empirical research findings and sound theoretical research regarding the use of novel technologies in libraries Covering topics such as digital competitive advantage smart governance and social media this book is an excellent resource for librarians archivists library associations and committees researchers academicians students faculty of higher education computer scientists programmers and professionals

Islamic Ecumene David S. Powers, Eric Tagliacozzo, 2023-11-15 The essays in *Islamic Ecumene* address the ways in which Muslims from Morocco to Indonesia and from sub Saharan Africa to the steppes of Uzbekistan are members of a broad cultural unit Although the Muslim inhabitants of these lands speak dozens of languages represent numerous ethnic groups and practice diverse forms of Islam they are united by shared practices and worldviews shaped by religious identity To highlight these commonalities the co editors invited a team of scholars from a wide range of disciplines to examine Muslim societies in comparative and interconnected ways The result is a book that showcases ethics education architecture the arts modernization political resistance marriage divorce and death rituals Using the insights and methods of historians anthropologists literary critics art historians political scientists and sociologists *Islamic Ecumene* seeks to understand Islamic identity as a dynamic phenomenon that is reflected in the multivalent practices of the more than one billion people across the planet who identify as Muslims Human remains in society Jean-Marc Dreyfus, Élisabeth Anstett, 2016-12-05 This

electronic version has been made available under a Creative Commons BY NC ND open access license *Human remains and society* presents a groundbreaking account of the treatment and commemoration of dead bodies resulting from incidents of genocide and mass violence Whether reburied concealed stored abandoned or publically displayed human remains raise a vast number of questions regarding social legal and ethical uses by communities public institutions and civil society organisations Through a diverse range of international case studies across multiple continents this highly innovative book explores the effect of dead bodies or body parts either desired or unintended on various political cultural or religious practices How for instance do issues of confiscation concealment or the destruction of human remains in mass crime impact on transitional processes commemoration or judicial procedures Multidisciplinary in scope *Human remains and society* will appeal to readers interested in the crucial phase of post conflict reconciliation This includes students and researchers of history anthropology sociology archaeology law politics and modern warfare Librarian as Communicator Helen Fallon, Graham Walton, 2019-05-17 As the information landscape evolves and takes shape using traditional and new platforms it is the role of Academic Libraries to take the lead in communicating developing and informing these changes in timely and

relevant ways Experienced librarians and those new to the field seek out innovative and more effective way to engage with users and stakeholders This book provides a variety of communication strategies for different user groups taking into account the changing information landscape and the application and implications of social media developments A major driver in higher education is the change in the scholarly communication model where initiatives such as Open Access Institutional Repositories and Data Management are challenging previous practice whilst offering new opportunities for leadership These communication developments provide opportunities for academic librarians who need the insight and awareness to take these chances Librarian as Communicator provides research based explorations of the above topics covering developing areas and also the communication skills that are needed for the academic library to have a continuing role in the 21st Century It was originally published as a special issue of the journal New Review of Academic Librarianship

The Street Is My Pulpit Mwenda Ntarangwi, 2016-05-15 To some Christianity and hip hop seem antithetical Not so in Kenya There the music of Julius Owino aka Juliani blends faith and beats into a potent hip hop gospel aimed at a youth culture hungry for answers spiritual material and otherwise Mwenda Ntarangwi explores the Kenyan hip hop scene through the lens of Juliani s life and career A born again Christian Juliani produces work highlighting the tensions between hip hop s forceful self expression and a pious approach to public life even while contesting the basic presumptions of both In *The Street Is My Pulpit* Ntarangwi forges an uncommon collaboration with his subject that offers insights into Juliani s art and goals even as Ntarangwi explores his own religious experience and subjective identity as an ethnographer What emerges is an original contribution to the scholarship on hip hop s global impact and a passionate study of the music s role in shaping new ways of being Christian in Africa
