Prophetic Calendar Jill Shannon,2009-04-28 The powerful prophetic book shows you how the Feasts of Israel point to the Lord Jesus and the destiny He has prepared for all humankind A Prophetic Calendar presents the biblical feasts as a mural of God's ageless desire to draw all people to Him In this intimate invitation you are provided in depth biblical teaching and fresh prophetic understanding that beautifully links the Old and New Testaments and you to His divine plan for the ages The feasts foreshadow the ministry of Jesus the Messiah and give a unique revelation of His redemptive purposes past present and future *Text Types and the History of English* Manfred Görlach,2008-08-22 The history of modern European

languages has been largely determined by the range of functions they have acquired particularly after 1500 This development necessitated a notable expansion of their syntax and lexis but is most characteristically reflected in the conventionalization of text types Starting from the German concept of Textsorte as developed from the 1960s onwards the present account is a first comprehensive attempt at charting the field for the history and present day situation of the English

language In text types a designation is linked with a more or less stable form which guides the writer's production as well as the reader's expectation permitting one to recognize straightforward uses as well as deliberate misuses Some two thousand of such designations are here listed with minimal definitions and dates for first occurrences The discussion then concentrates on selected types which are seen as especially illustrative for English book dedications cooking recipes advertisements church hymns lexical entries and jokes Their functions and development over time are treated in correlation with their specific linguistic characteristics and adaptations to different period styles and social changes in the readership The functional range of text types in traditions outside England and the consequences of the export of English categories are exemplified by the history of Scots Scottish English and of English in India The arguments are accompanied by a lavish supply of textual excerpts and more than fifty pages of facsimiles which are especially relevant for insights derived from typographical features A full bibliography and indices are provided at the end The book will prove useful for decisions on the constitution of representative text corpora and stimulate research into a greater number of individual text types as well as contrastive analyses at least among European languages

Gastronomic Judaism as Culinary Midrash Jonathan D. Brumberg-Kraus, 2018-10-29 This book is about what makes food Jewish or better who and how one makes food Jewish Making food Jewish is to negotiate between the local regional and

now global foods available to eat and the portable Jewish taste preferences Jews have inherited from their sacred texts and calendars What makes Jewish food Jewish and what makes Jewish eating practices continually viable and meaningful are not fixed dietary rules and norms but rather culinary interpretations and adaptations of them to new times and places culinary midrash Jewish cuisine is a fusion of interactions a reflection of displacement and intentional positioning and re positioning vis a vis sacred texts old and new lands Jewish and non Jewish neighbors old and new family combinations re imaginings of our personal ethnic gender and other identities Jonathan Brumberg Kraus questions Jewish identity in particular and identity generally as something fixed stable and singular and unintentional Jewish food choices are situational often temporary expressions of Jewish identity It addresses the tension between what Jewish authoritative textual sources and their proponents say is Jewish food and Jewish eating and what Jews actually eat So while discussing connections between ancient religious texts and modern Jewish food preferences this book does not stop there Using examples from his experience Brumberg Kraus describes the improvisational characteristics of gastronomic Judaism as the interplay of texts tastes artifacts and everyday practices not only in the classic sacred texts but also in Jewish cookbooks and internet blogs on Jewish home cooking seasonal intensification of Jewish food choices e g latkes at Chanukah or keeping kosher for Passover safe treif the fusion cultural appropriation of diasporic Biblical and Palestinian foods in new Israeli cuisine and the impact of the environmentalist New Jewish Food movement on contemporary Jewish food choices and identity

My Mother's Kitchen

Peter Gethers, 2017-04-04 My Mother's Kitchen is a funny moving memoir about a son's discovery that his mother has a genius for understanding the intimate connections between cooking people and love Peter Gethers wants to give his aging mother a very personal and perhaps final gift a spectacular feast featuring all her favorite dishes The problem is although he was raised to love food and wine he doesn't really know how to cook So he embarks upon an often hilarious and always touching culinary journey that will ultimately allow him to bring his mother's friends and loved ones to the table one last time The daughter of a restaurateur the restaurant was New York's legendary Ratner's Judy Gethers discovered a passion for cooking in her 50s In time she became a mentor and friend to several of the most famous chefs in America including Wolfgang Puck Nancy Silverton and Jonathan Waxman she also wrote many cookbooks and taught cooking alongside Julia Child In her 80s she was robbed of her ability to cook by a debilitating stroke But illness has brought her closer than ever to her son Peter regularly visits her so they can share meals and he can ask questions about her colorful past while learning her kitchen secrets Gradually his ambition becomes manifest he decides to learn how to cook his mother the meal of her dreams and thereby tell the story of her life to all those who have loved her With his trademark wit and knowing eye Peter Gethers has written an unforgettable memoir about how food and family can do much more than feed us they can nourish our souls
