Unlimited Power Of Faith By Bishop Oyedepo:

The Unlimited Power of Faith David O. Oyedepo, The World's Greatest Religious Leaders Scott E. Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research Pentecostal and Charismatic Spiritualities and Civic Engagement in Zambia Naar

M'fundisi-Holloway, 2018-08-22 For the past sixty years the Pentecostal and Charismatic movement has played a major role in Zambia In this book Naar Mfundisi Holloway explains the history of this development and its impact on civic engagement She opens a discussion on church state relations and explains how the church presented a channel of hope in the wake of the HIV AIDS pandemic despite having a history that eschewed civic engagement In fact the pandemic propelled the church to work alongside the state in the fight against the disease Using interviews and historical analysis this book provides valuable insight into how Pentecostal and Charismatic churches have effectively engaged matters of civic concern in Zambia dating from colonial times Religion and the Making of Nigeria Olufemi Vaughan, 2016-12-09 In Religion and the Making of

Nigeria Olufemi Vaughan examines how Christian Muslim and indigenous religious structures along with the legacies of British colonial rule have provided the essential social and ideological frameworks for the construction of contemporary Nigeria **The Believer's Manual for Excellence** Patrick Payne Okoronkwo, 2019-08-02 Knowing and working with God is not a sprint It is a marathon with very many dangerous twists and turns craggy and crooked at that It is getting progressively unpopular to be identified as a Christian in our present day world with its attendant challenges and extraordinary indulgences Real and valid questions are constantly agitating the minds of many right from the crises of development to the decadence of aging and dying This book is essentially a critical look at man as per who he is and his never ending search for connection with his maker It sees God as triune and also treats the trinity of man that is spirit soul and body and the steps and strategies he needs to deploy to ensure he gets on top of his game in terms of his relationships with God with brothers at the workplace in married life social events and many more The Believer s Manual is an attempt to critically look at the

believer in terms of his coming to the understanding that he needs his maker in every area of his life It starts with getting to know his god his plans and purpose for him divine leading and direction etc It does a synopsis of temperaments and how God can use man no matter his temperament The indwelling Holy Spirit makes the difference *Global Pentecostal and Charismatic Healing* Candy Gunther Brown, 2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing Contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait The collected essays illumine local variations hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources This is the first book of its kind Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation This volume's distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from North America Europe and Africa Read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways **Nigerian Pentecostalism and Development** Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and

to development practitioners and policy makers working in the region *The News* ,2003-10 **The Wit and Wisdom of Dr. David Oyedepo** Nick Imoru,2025-01-04 Unlock the Power of Timeless Wisdom The Wit Wisdom of Dr David Oyedepo is your daily guide to inspiration faith and purpose Packed with 366 life transforming quotes from one of the world s most influential voices in Christianity this book will challenge your thinking deepen your faith and empower you to live victoriously every day of the year From profound insights into the Word of God to practical lessons for overcoming life s challenges each quote is a spark of divine wisdom designed to illuminate your path Whether you re starting your journey in faith or seeking to grow deeper this book offers daily reflections to uplift your spirit renew your mind and guide your actions No matter where you are in life The Wit Wisdom of Dr David Oyedepo will inspire you to Think Boldly Embrace God s promises and envision a life of unlimited potential Live Purposefully Align your thoughts and actions with divine truth Grow Spiritually Strengthen your faith through daily meditations on God s Word Perfect for personal devotion or as a gift to loved ones this book is not tied to a specific year making it a timeless treasure you can return to year after year Start your journey today one day one quote one breakthrough at a time Winning Faith David O.
