Unmasked Cassia Leo,2014-06-27 I was born into this world unwanted I spent the first hours of my life unloved I spent the first eighteen years of my life with the partents who tried to shelter me from the harsh reality of my existence But you can t un write a sad story if the ending is literally written all over your face So I moved out and now I hide I have a night job that pays the bills Every night I put on my mask and walk to work Then one night I hear and see something that will change my purpose in life forever a murder that will bring him to me He says he wants to protect me And through a series of events I can t fully make sense of I find myself believing him But our nightly visits are always cloaked in darkness I don t know his face and he will never know mine Back cover
