Fundamentals of Menu Planning Paul J. McVety, Bradley J. Ware, Claudette Lévesque Ware, 2008-03-03 Understanding the fundamentals of menu planning is

essential to building a successful foodservice concept since the menu is the foundation upon which a foodservice operation builds both its reputation and profit. Reflecting the latest menu trends in the restaurant industry, the authors show how research surveys and sales analysis are key to menu planning and design. *Fundamentals of Menu Planning*, Third Edition, presents a complete overview of key aspects of menu planning, including designing, writing, costing, marketing, and merchandising a menu. The content in this edition is divided into three parts. Part I focuses on the evolution of the menu and includes topics such as menu trends in the industry, performing market research, and creating a market survey, nutrition and dietary guidelines, and menu planning. Part II examines the financial aspects of menu planning, such as performing a yield test, creating and writing standardized recipes, and recipe costing. Part III covers writing, designing, and merchandising the menu. With this accessible resource, hospitality management students, culinary students, restaurateurs, and other foodservice professionals will all gain a thorough understanding of how an effective and successfully planned menu is fundamental to the success and profitability of the wider foodservice enterprise.

*Last Bite* Nancy Verde Barr, 2012-07-31 After ending a bad relationship, Casey Costello, an executive chef at a morning television show, swears off men. Who has the time anyway? She's busy overseeing a rambunctious food prep crew in a kitchen the size of a closet, trying to please high-maintenance celebrity guest chefs and dealing with her large extended Italian American family who believe that the solutions to life's problems involve food. And in the midst of her high-energy, stress-inducing career, punctuated by a steady stream of parties and restaurant openings that must not be missed, she's trying to uncover why Sally Woods, a grand old dame of the culinary world and regular on the television show, is suddenly ready to jump ship and find a new station and a new executive chef. When Danny O'Shea, a handsome chef from one of New York's hottest new restaurants, makes a guest appearance on the show, Casey smells trouble. But feelings ignite faster than a flambé dessert, especially when Danny whips up a few surprises during a television shoot in Italy. Narrated in Casey's smart and refreshingly disarming voice, *Last Bite* is an irresistible culinary caper with characters whose appetites are as big as their personalities.
