Quitter Erica C. Barnett, 2021-07-06 Barnett's prose style is brassy and cleareyed with echoes of Anne Lamott Beth Macy The New York Times Book Review Emotionally devastating and self aware this cautionary tale about substance abuse is a worthy heir to Cat Marnell's How to Murder Your Life Publishers Weekly starred review A startlingly frank memoir of one woman's struggles with alcoholism and recovery with essential new insights into addiction and treatment Erica C Barnett had her first sip of alcohol when she was thirteen and she quickly developed a taste for drinking to oblivion with her friends In her late twenties her addiction became inescapable Volatile relationships blackouts and unsuccessful stints in detox defined her life with the bottles she hid throughout her apartment and offices acting as both her tormentors and closest friends By the time she was in her late thirties Barnett had quit and relapsed again and again but found herself far from rehabilitated Rock bottom Erica Barnett writes is a lie It is always possible she learned to go lower than your lowest point She found that the terms other alcoholics used to describe the trajectory of their addiction rock bottom and moment of clarity and the mottos touted by Alcoholics Anonymous such as let go and let God didn't correspond to her experience and could actually be detrimental With remarkably brave and vulnerable writing Barnett expands on her personal story to confront the dire state of addiction in America the rise of alcoholism in American women in the last century and the lack of rehabilitation options available to addicts At a time when opioid addiction is a national epidemic and one in twelve Americans suffers from

alcohol abuse disorder Quitter is indispensable reading for our age and an ultimately hopeful story of Barnett's own hard fought path to sobriety Savaged to Wellness Melody Paul,2020-05-14 This is a recovery story about a Micmac woman named Melody Paul She is from the Canadian province of Nova Scotia in an island called Cape Breton famously known for its beautiful trails She was raised in Eskasoni Eskasoni is one of the largest native Micmac tribe reservations in the world Growing up in her native culture community she struggles to adapt and decides to adventure and explore new places Melody finds her first job on the blueberry barrens of Down East Maine then discovers other ways to support herself She soon learns to adapt to the American way of life Unfortunately her life choice leads her to poverty abuse discrimination and substance abuse Running becomes a behavior she cannot contain dysfunctional behavior becomes her way of life with the combination of her addiction issues it is the exact combination for a perfect storm It is hustling her way to what she needs to fuel her substance use Hurting others along the way doesn't matter to her whatsoever because she was sick with addiction then finally one day something changes the course of her life path that is when she gets charged with trafficking drugs that causes her friend to overdose Melody finally owns up to what she has become and decides to face her demons in the cold brick wall of the Maine State Prison This is when her healing starts She prays daily and becomes more aware of her actions and behaviors Melody starts to write and heals herself from the damages of addiction This is a story of recovery My Fair Junkie Amy Dresner,2017-09-12 In the tradition of Blackout and Permanent Midnight a darkly funny and revealing debut memoir of one woman's twenty year battle with sex drugs and alcohol addiction and what happens when she finally emerges on the other side Growing up in Beverly Hills Amy Dresner had it all a top notch private school education the most expensive summer camps and even a weekly clothing allowance But at 24 she started dabbling in meth in San Francisco and unleashed a fiendish addiction monster Soon if you could snort it smoke it or have sex with she did Smart and charming with Daddy's money to fall back on she sort of managed to keep it all together But on Christmas Eve 2011 all of that changed when high on Oxycontin she stupidly brandished a bread knife on her husband and was promptly arrested for felony domestic violence with a deadly weapon Within months she found herself in the psych ward and then penniless divorced and looking at 240 hours of court ordered community service For two years assigned to a Hollywood Boulevard chain gang she swept up syringes and worse as she bounced from rehabs to halfway houses all while struggling with sobriety sex addiction and starting over in her forties In the tradition of Orange Is the New Black and Jerry Stahl's Permanent Midnight Amy Dresner's My Fair Junkie is an insightful darkly funny and shamelessly honest memoir of one woman's battle with all forms of addiction hitting rock bottom and forging a path to a life worth living **I Wore the Ocean in the Shape of a Girl** Kelle Groom,2014-05-10 A heartfelt unflinchingly honest account of addiction maternal love and redemption from poet and memoirist Kelle Groom
