Up In The Air Walter Kirn:

Up in the Air Walter Kirn, 2002-09-24 Ryan Bingham's job as a Career Transition Counselor he fires people has kept him airborne for years Although he has come to despise his line of work he has come to love the culture of what he calls Airworld finding contentment within pressurized cabins anonymous hotel rooms and a wardrobe of wrinkle free slacks With a letter of resignation sitting on his boss's desk and the hope of a job with a mysterious consulting firm Ryan Bingham is agonizingly close to his ultimate goal his Holy Grail one million frequent flier miles But before he achieves this long desired freedom conditions begin to deteriorate With perception wit and wisdom *Up in the Air* combines brilliant social observation with an acute sense of the psychic costs of our rootless existence and confirms Walter Kirn as one of the most savvy chroniclers of American life

Up in the Air Walter Kirn, 2009 Ryan Bingham is a very frequent flier who hates his job and has set as his goal to acquire one million air miles in his frequent flier account He's convinced he can pull things off conditions permitting and there of course is the catch Jacket **Existential America** George Cotkin, 2003-01-24 As Cotkin shows not only did Americans readily take to existentialism but they were already heirs to a rich tradition of thinkers from Jonathan Edwards and Herman Melville to Emily Dickinson and William James who had wrestled with the problems of existence and the contingency of the world long before Sartre and his colleagues After introducing the concept of an American existential tradition Cotkin examines how formal existentialism first arrived in America in the 1930s through discussion of Kierkegaard and the early vogue among New York intellectuals for the works of Sartre Beauvoir and Camus

Beyond Homelessness Steven Bouma-Prediger, Brain J. Walsh, 2008-06-03 This book is a brilliant use of metaphor that makes clear why the world leaves us feeling so uneasy **SPIN**, 2009-12 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks

Bright Side Up Amy Spencer, 2012-02-07 You don't need to reinvent your whole life to be happier you just need to turn it bright side up We all have those days when life could use a lift Enter Bright Side Up a clever and comforting compendium to help you shift your perspective and appreciate what's right in front of you With the warmth and wisdom of a dear friend this deceptively simple guide offers emergency optimism when you need it with fresh tips that can be put to use on the spot including Thank the lemons Rally in the rain delay Steer life like a motorcycle Ask your one hundred year old self Plan your party story Dip in whenever you need a boost Because when you can find the sunshine in your every day you'll feel brighter too

Europe on 5 Wrong Turns a Day Douglas S. Mack, 2012-04-03 Prepare to Get Lost on the Beaten Path When Doug Mack picked up a 1963 edition of *Europe on Five Dollars a Day* he stumbled on an inspired idea to boldly go where millions have gone before relying only on the advice of a travel guide that's nearly a half

century out of date Add to the mix his mother's much documented grand tour through Europe in the late 1960s and the result is a funny and fascinating journey into a new old world and a disarming look at the ways the classic tourist experience has changed and has not in the last generation After a whirlwind adventure spanning eight countries and costing way more than five dollars a day Mack's endearing account is part time travel part paean to Arthur Frommer's much loved guide and a celebration of the modern traveler's grand and not so grand tour

[Incarnate](#) Michael Frost, 2014-02-10 The church is to be the hands and feet of Christ in the world showing and telling the kingdom of God But this incarnational mission is challenged by numerous excarnational forces pulling us ever inward and selfward In this prophetic cultural study missiologist Michael Frost helps us find our way back to the mission of God

Film and Faith Carson Holloway, Micah Watson, 2023-11-21 *Film and Faith* Modern Cinema and the Struggle to Believe explores religious themes in contemporary film with a focus on recent depictions of religion's continuing manifestations in a secularizing age The contributors are students of philosophy political theory and theology examine religious and philosophical ideas in commercially and artistically important modern films They offer a scholarly yet accessible considerations of contemporary films exploring the problem of faith in the modern world The approach is balanced sympathetic but not uncritical reflecting a complexity in the minds of the contributors themselves While they are religious believers nonetheless established scholars trained in mainstream academic disciplines The chapters cover cinema that are important in different ways and that represent different genres from the art films of Terrence Malick to the more conventional but serious dramas of the Coen brothers and Frank Capra to popular action blockbusters like the Dark Knight and the Marvel films Drawing on these cinematic works the authors explore religious themes that remain salient even in a time when religion seems to be in decline themes such as sin and judgment the experience of grace and reconciliation and

confrontation with radical evil *Unpacked* Blake C. Scott,2022-11-15 *Unpacked* offers a critical novel perspective on the Caribbean s now taken for granted desirability as a tourist s paradise Dreams of a tropical vacation have become a quintessential aspect of the modern Caribbean as millions of tourists travel to the region and spend extravagantly to pursue vacation fantasies At the beginning of the twentieth century however travelers from North America and Europe thought of the Caribbean as diseased dangerous and according to many observers the white man s graveyard How then did a trip to the Caribbean become a supposedly fun and safe experience *Unpacked* examines the historical roots of the region s tourism industry by following a well traveled sea route linking the US East Coast with the island of Cuba and the Isthmus of Panama Blake C Scott describes how the cultural and material history of US imperialism became the heart of modern Caribbean tourism In addition he explores how advances in tropical medicine perceptions of the tropical environment and development of infrastructure and transportation networks opened a new playground for visitors Introducing Human Geographies Kelly Dombroski,Mark Goodwin,Junxi Qian,Andrew Williams,Paul Cloke,2024-07-09 *Introducing Human Geographies* is a travel guide into the academic subject of human geography and the things that it studies The coverage of the new edition has been thoroughly refreshed to reflect and engage with the contemporary nature and direction of human geography This updated and much extended fourth edition includes a diverse range of authors and topics from across the globe with a completely revised set of contributions reflecting contemporary concerns in human geography Presented in four parts with a streamlined structure it includes over 70 contributions written by expert international researchers addressing the central ideas through which human geographers understand and shape their subject It maps out the big foundational ideas that have shaped the discipline past and present explores key research themes being pursued in human geography s various sub disciplines and identifies emerging collaborations between human geography and other disciplines in the areas of technology justice and environment This comprehensive stimulating and cutting edge introduction to the field is richly illustrated throughout with full colour figures maps and photos The book is designed especially for students new to university degree courses in human geography across the world and is an essential reference for undergraduate students on courses related to society place culture and space *Perl & LWP* Sean M. Landscape and the Ideology of Nature in Exurbia K. Valentine Cadieux, Laura Taylor, 2013-05-07 This book explores the role of the ideology of nature in producing urban and exurban sprawl It examines the ironies of residential development on the metropolitan fringe where the search for nature brings residents deeper into the world from which they are imagining their escape of Federal Express technologically mediated communications global supply chains and the anonymity of the global marketplace and where many of the central features of exurbia very low density residential land use monster homes and conversion of forested or rural land for housing contribute to the very problems that the social and environmental aesthetic of exurbia attempts to avoid The volume shows how this contradiction to live in the green landscape and to protect the green landscape from urbanization gets caught up and represented in the ideology of nature and how this ideology in turn constitutes and is constituted by the landscapes being urbanized

Mastery and Lost Illusions Włodzimierz Borodziej, Stanislav Holubec, Joachim Puttkamer, 2014-10-15 This volume highlights the specific experiences and challenges of modernity in twentieth century Eastern and Central Europe Contributors ask how spatial and temporal conditions shaped the region s transformation from a rural to an urban industrialized society in this period and investigate the state s role in the mastery of space particularly in the context of state socialism The volume also sheds light on the ruralization of cities and mutual perceptions of the rural and urban populations in this region

Naked Airport Alastair Gordon, 2025-08-22 The first full cultural history of the ultimate modern structure the airport revealed as never before Since its origins in the muddy fields of flying machines the airport has arguably become one of the defining institutions of modern life In *Naked Airport* critic Alastair Gordon ranges from global geopolitics to action movies to the daily commute showing how airports have changed our sense of time distance travel style and even the way cities are built and business is done Gordon introduces the people who shaped this place of sudden transportation pilots like Charles Lindberg architects like Eero Saarinen politicians like Fiorello La Guardia and Hitler who built Berlin s Tempelhof as a showcase for Fascist power He describes the airport s futuristic contributions such as credit cards in the form of fly now pay later schemes and he charts its shift in popular perception from glamorous to infuriating Finally he analyzes the airport s function in war and peace its gatekeeper role controlling immigration its appeal to revolutionaries since the hijackings of the 1960s and its new frontline position in the struggle against terror Compelling and

accessible Naked Airport is an original history of a long neglected yet central creation of modern reality and imagination

Work in Cinema E. Kerr, 2013-12-18 Cinema frequently depicts various types of work but this representation is never straightforward It depends on and reflects many factors especially the place and time the film is made and the type of audience it addresses Here the contributors employ transnational and transhistorical perspectives to compare filmic depictions of work **Office** Gideon Haigh, 2012-12-10 For many of us it is where we spend more time and expend greater effort than anywhere else Yet how many of us have stopped to think about why In *The Office A Hardworking History* Gideon Haigh traces from origins among merchants and monks to the gleaming glass towers of New York and the space age sweatshops of Silicon Valley finding an extraordinary legacy of invention and ingenuity shaped by the telephone the typewriter the elevator the email the copier the cubicle the personal computer the personal digital assistant Amid the formality restraint and order of office life too he discovers a world teeming with dramas great and small of boredom betrayal distraction discrimination leisure and lust meeting along the way such archetypes as the Whitehall mandarin the Wall Street banker the Dickensian clerk the Japanese salaryman the French bureaucrat and the Soviet official In doing so Haigh taps a rich lode of art and cinema fiction and folklore visiting the workplaces imagined by Hawthorne and Heller Kafka and Kurosawa Balzac and Wilder and visualised from Mary Tyler Moore to *Mad Men* from *Network* to *9 to 5* plus of course *The Office* Far from simply being a place we visit to earn a living the office emerges as a way of seeing the entire world
