These 365 must ride motorcycles range from classic gaslight era bikes racers and modern sportbikes to oddities that have to be ridden to be understood or believed Nowhere to Call Home: Volume Two Leah Denbok, Tem Denbok, 2018-08-28 This book continues where my first book left off with forty photographs and stories of people experiencing homelessness It is a part of my ongoing mission begun with volume one to change the general public's perception of those experiencing homelessness So often as I stated in my first book they are viewed as subhuman creatures or a lower order of being than human Through my photographs and stories I am trying to humanize them to help the general public see that apart from the unfortunate circumstances in which these people find themselves they are no different than you and I I am heartened that judging from the comments that my first book has received from people around the world my work seems to be having this effect All royalties from this book will be given to Home Horizon Transitional Support Program **Cycle World Magazine**, 2004-01 **WALNECK'S CLASSIC CYCLE TRADER, DECEMBER/JANUARY 1986-87** Causey Enterprises, LLC,
