IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Retailers and their service personnel. It has been assumed that these service personnel inform us the industry, and more specifically YAMAHA Products, are already aware and understood by the users, and have therefore not been repeated.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as required. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Retailer or the appropriate service representative.

IMPORTANT: The permission or sale of this manual to any individual or firm does not constitute authorization, endorsement or recognition of any applicable claims, capabilities, or suitability as a principle-agent relationship of any form.

The data provided is believed to be accurate and applicable to the unit(s) indicated on the cover. This product, engineering, and service departments of YAMAHA are constantly striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation or refund. Should any discrepancy appear in sales, please contact the distributor's Service Division.

WARNING: Static discharge can destroy expensive components. Discharge any static electricity prior to any work. When assembled by a Yamaha product in the ground state of the unit, check the ground state of the unit.

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Disconnect all work before you apply power to the unit.
