The Song of Seven Tonke Dragt, 2025-09-02 A magical adventure about everyday heroes and the power of music from the author of *The Letter to the King* Deep in the woods a young boy is kept prisoner by his uncle He cannot meet other children or have any friends He holds the key to a secret Meanwhile in a quiet village Frans the schoolteacher invents stories of the perilous deeds shipwrecks desert islands and haunted castles faced by his heroic alter ego Frans the Red to entertain his pupils Then one stormy evening too tired to invent something new Frans fobs his students off with the invented excuse of awaiting an important letter only when he gets home a letter really does blow onto his doormat summoning him to a meeting Suddenly Frans is on a real life mission to liberate the boy in the woods a mission on which he will encounter magicians secret passages conspiracies hidden treasure and a sealed parchment which predicts the future He will learn the secret of the Seven Ways He will find seven allies And he will make a fearsome enemy Featuring prophecies wise herbalists dilapidated coaches and a magical song that proves the solution to all of Frans s problems this classic adventure shows that our everyday selves can be every bit as heroic as the parts we play in our most swashbuckling fantasies **De Zevensprong**
