

How to Survive a Zombie Attack

Over time (in 1994), participants will all undergo assessment and will print 100 pages on the machine. Thereafter, the "real" data source becomes the local area network. This provides participants 24 hours per day, that they can use when they have time to write their stories (approximately 10-15 minutes per day please). I anticipate that initial feedback, comments from participants and the platform will be every day for the first 2 to 3 days and then weekly. The original story will be sent up, I anticipate, that day or within the next 24 hours (participants will have the option to send the story as often as they wish).
