## **Zimsec School Results:**

*Regime and Education in Zimbabwe* Bekithemba Dube, Albert Mufanechiya, 2024-06-10 This collection focuses on the post independence educational development in Zimbabwe It shows how the ZANU PF regime has presided over the demise of education and covers a wide range of topics such as violence against teachers poor salaries student activism minority languages and curriculum innovations This volume argues that the regime has used education as a tool for repression Curriculum innovations introduced and implemented in Zimbabwe have little to do with improving the performance of the learners and more to do with stopping teachers from pushing the regime change agenda Consequently this has resulted in a nation in crisis marked with high turnover poor economy and mass exodus of teachers and learners The contributors to this volume make various suggestions which could recenter education towards addressing the experiences of the learners as opposed to being used as a tool to push repression and thwart democracy

**Refugee Learner Experiences. A Case Study of Zimbabwean Refugee Children** Lawrence Meda, 2017-09 This study is a presentation of Zimbabwean refugee learner experiences Children escaped political persecution and economic problems which affected Zimbabwe in the year 2008 Many of these children were abused and witnessed traumatic experiences their close relatives and neighbours being executed in cold blood This study was guided by three critical questions i who are the Zimbabwean refugee learners ii what were Zimbabwean refugee learners migration experiences and iii what were Zimbabwean refugee learners school experiences The study employed Bronfenbrenner s Social Ecological Model as its overarching theoretical framework Each stage of the refugee experience was described at each point in time

*Facets of Power*, 2023-01-10 The diamond fields of Chiadzwa among the world s largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006 Against the backdrop of a turbulent political economy control of Chiadzwa s diamonds was hotly contested By 2007 a new case of blood diamonds had emerged in which the country s security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds violently disrupting local communities and looting a key national resource The formalisation of diamond mining in 2010 introduced new forms of large scale theft displacement and rights abuses *Facets of Power* is the first comprehensive account of the emergence meaning and profound impact of Chiadzwa s diamonds Drawing on new fieldwork and published sources the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the mineral s secretive and violent beneficiaries If the lessons of resistance have been mostly disheartening ones they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them

Beyond the Enclave Godfrey Kanyenze, Timothy Kondo, 2011-07-26 Beyond the Enclave sets out to unravel the contradiction of a country Zimbabwe where a rich diverse resource base co exists with endemic poverty One reason lies in the colonial economy which was predicated on an ideology of white supremacy creating an enclave formal economy employing one fifth of the labour force Yet over three decades after independence the non formal segment has become even more entrenched This book assesses Zimbabwes economy through three main phases 1980 90 when a strong social policy framework proved difficult to sustain due to erratic growth and 1991 96 when structural adjustment demanded a market driven approach to development The third phase is characterized by crisis management leading to policy inconsistencies and reversals Not surprisingly such incoherence saw the economy descend into hyperinflation and paralysis in 2007 2008 leading to the signing of the Global Political Agreement in September 2008 In the absence of formal dollarization economic recovery after the adoption of the multi currency regime has remained fragile leaving an estimated 70 per cent of the population outside the banking system This has further entrenched uneven enclave growth as the economy remains locked in a low income poverty trap There is a need to facilitate transition towards formality to promote decent jobs Furthermore a strategic developmental role for the state in the economy is now widely recognized as vital for development Beyond the Enclave argues for a new approach to development in Zimbabwe based on pro poor and inclusive strategies which will contribute to the well being of all of its citizens and wise stewardship of its resources It offers suggestions on policy formulation implementation monitoring and evaluation in all sectors designed to promote inclusive growth and humane development

**Moto**, 2003

A School in Africa A. Megahey, 2005-06-09 When Peterhouse School opened in 1955 the British Empire in Africa was still intact and the Federation of Rhodesia and Nyasaland had just come into being It was a boarding school founded on the British model but with the intention that it would adapt all that is best in the Public School tradition to African conditions The story of Peterhouse is not only about work and sport music and drama chapel and syllabus changes It is set in the context of educational development and political changes in a Southern Africa country The school became a pioneering multi racial

institution in white Rhodesia shared the sufferings of the country during the bush war expanded greatly in the new Zimbabwe survived the contradictions of a black Marxist government and has kept its firm commitment to being a Church School Despite the uncertainties and challenges of the new century this is a story of faith and vision

**Misogyny across Global Media** Maria B. Marron,2021-03-01 Misogyny across Global Media argues that although women s experiences under misogyny are by no means universal patriarchal social and institutional systems facilitate gender based hostility across the globe Contributors demonstrate how systemic misogyny and power inequities are at the root of women s suffering at the hands of misogyny with consequences ranging from sexual harassment to rape and even murder This book provides an interdisciplinary overview of systemic misogyny worldwide analyzing specific cases such as the controversial Child Marriage Act in Bangladesh sexual harassment in India s Bollywood culture rape culture among military forces in Jammu and Kashmir the murder of female students in Kenya and femicide in Turkey This collection discusses how misogyny creates a clash of cultures between men and women the powerful and the oppressed and the conservative and the liberal and uncovers the evils that are perpetrated against women worldwide as a result of systemic misogyny Scholars of gender studies media studies and cultural studies will find this book particularly useful
