Zimsec Marking Scheme For November 2012 Economics Paper 1:

Africa and the Millennium Development Goals Charles Mutasa, Mark Paterson, 2015-10-29 This unique work by the Centre for Conflict Resolution CCR Cape Town South Africa tracks the progress Africa has made in achieving the United Nations Millennium Development Goals MDGs since 2000 Thirteen analytical chapters written by scholars and practitioners with expertise in the various areas covered by the eight MDGs are organized around the larger themes of political economy structural issues sustainable goals and human development goals They critically assess the progress that Africa has made towards the achievement of the MDGs discuss how to accelerate that progress and offer alternatives and recommendations in support of institutions in Africa that are engaged in promoting the achievement of sustainable development Throughout they examine the role of various actors including the African Union Africa's regional economic communities the United Nations the European Union etc civil society and other external development partners in light of their contributions shortfalls and viable options in shaping the continent's development agenda Together they provide a unique assessment from experts on the ground of whether the goals were a success and what remains to be done to achieve sustainable economic and human development in Africa

African Contributions in Shaping the Worldwide Intellectual Property System Tshimanga Kongolo, 2016-03-23 Africa is playing an increasingly more significant role in the domain of international intellectual property law and this book underlines the contributions made by African countries as a group to the development of the current international IP system It examines in detail their breakthrough proposals and initiatives at the WTO WIPO and WHO with regard to IP and public health IP and traditional knowledge traditional cultural expressions and genetic resources IP and biodiversity and exceptions and limitations to copyright Using Botswana Burundi Egypt Ghana Kenya Mauritius Morocco South Africa and Tunisia as examples it examines the systems under which these IP subject matters are protected From a regional perspective the book also analyses some initiatives taken by ARIPO OAPI and the African Union to protect traditional knowledge and traditional cultural expressions especially in relation to protection of the rights of local farming communities and breeders regulation of access to biological resources genetically modified organisms and the proposed establishment of the new Pan African Intellectual Property Organization PAIPO Demonstrating how Africa is now an active player on the international IP scene this book will be invaluable to those interested in intellectual property law business and commercial law and African and international law

Financial Inclusion and Digital Transformation Regulatory Practices in Selected SADC Countries Howard Chitimira, Tapiwa Victor Warikandwa, 2023-03-28 This book investigates the regulation and promotion of financial inclusion and provides a comparative analysis of the regulation promotion and enforcement of the relevant laws in the SADC in particular South Africa Namibia Botswana and Zimbabwe as well as the challenges of financial inclusion In turn it evaluates financial inclusion in the context of specific challenges faced by unbanked and underbanked customers who are easy targets for cyber criminals because they tend to have lower levels of

digital literacy The book presents novel discussions that identify the challenges and flaws associated with the enforcement of financial inclusion laws and related measures intended to promote financial inclusion in the SADC region This is primarily done in order to reveal the current strengths and weaknesses of financial inclusion laws in relation to certain aspects of the companies securities and financial markets in the region For example there is no common financial inclusion instrument law that is effectively and uniformly applied throughout the SADC This has impeded the enforcement authorities efforts to effectively combat financial exclusion across the region The book is likely the most comprehensive study to date on the regulation and promotion of financial inclusion in the SADC region and fills a major gap in SADC and African legal jurisprudence As such it offers a valuable asset for policymakers attorneys bankers securities share holders and other market participants who deal with financial inclusion as well as undergraduate and graduate students interested in the topic

Keeping the Republic Christine Barbour, Gerald C. Wright, 2016-11-19 This refreshed and dynamic Eighth Edition of Keeping the Republic revitalizes the twin themes of power and citizenship by adding to the imperative for students to navigate competing political narratives about who should get what and how they should get it The exploding possibilities of the digital age make this task all the more urgent and complex Christine Barbour and Gerald Wright the authors of this bestseller continue to meet students where they are in order to give them a sophisticated understanding of American politics and teach them the skills to think critically about it The entire book has been refocused to look not just at power and citizenship but at the role that control of information and its savvy consumption play in keeping the republic **Eurozone**

Dystopia William Mitchell, 2015-05-29 Eurozone Dystopia traces the origin of the Eurozone and shows how the historical Franco German rivalry combined with the growing dominance of neo liberal economic thinking to create a monetary system that was deeply flawed and destined to fail It argues Inequality around the World Deric Shannon, 2025-02-06 A two volume set intended for readers interested in understanding the political and cultural underpinnings of socioeconomic inequality across the globe Inequality around the World examines key drivers and shapers of inequality at the local national and international level The two volume set includes 33 in depth chapters covering such issues as public and private healthcare environmental protection and pollution housing disability women s rights land policies antisemitism sexual orientation and gender diversity race and racism political representation and access to higher education Each chapter compares and contrasts conditions in major countries including the USA Russia India China and Germany as well as in wider regions like the Middle East West Africa Central America and Eastern Europe Scrupulously researched and wide ranging in coverage Inequality around the World provides an in depth survey of socioeconomic inequality in the 21st century in all its many forms
