

The background of the entire image is a dramatic, low-angle shot of a city street at night. The street is wet and reflects the ambient light. In the distance, a large fire is burning, casting a warm, orange glow. The trees lining the street have bare branches, some of which are silhouetted against the bright light of the fire. In the foreground, two figures are visible: one is a person in a dark, hooded cloak, and the other is a figure in a dark, possibly armored, suit. They appear to be walking away from the viewer towards the fire. The overall mood is dark, mysterious, and ominous.
