

Vasco Nuñez de Balboa (1475-1519)

Spanish Explorer, Conquistador and Adventurer.

Vasco Nuñez de Balboa was a Spanish Conquistador and Explorer who was the first European to see (on September 13, 1513) the eastern part of the Pacific Ocean after an arduous trip through the jungles of the Isthmus of Panama. His discovery stimulated exploration and settlement throughout South America. Balboa, gave the ocean he discovered the name of "*Mar del Sur*" (South Sea), because he had traveled south, across the isthmus to find it. He claimed the Mar del Sur and all its shores and lands it touched, for Spain. Ironically, it was the Portuguese explorer, Magellan, who gave it the name of "*Mar Pacífico*" because, after crossing the very rough waters of the Straights of Magellan and the area of the southern tip of Tierra Firme, (South America), the sea became very calm. The discovery of the Pacific Ocean, opened the way for the exploration and conquest of Central and South America, along its coast.
