The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content

Yellow Brick Roads Janet Allen, 2024-11-01 Do you spend your days working with students who struggle to comprehend reading in literacy and content classes Are you looking for a way to establish comprehensive literacy instruction in your school or classroom so all students receive support in becoming competent and confident readers In Yellow Brick Roads Shared and Guided Paths to Independent Reading 4 12 Janet Allen offers research based methods for helping teachers move toward these goals This book provides research practical methods detailed strategies and resources for read aloud shared guided and independent reading In addition Janet outlines solutions for many of the literacy dilemmas that teachers face every day Understanding what gets in the way of reading Rethinking and reorganizing time and resources Providing support for content literacy Developing assessment practices that inform instruction Supporting reading as a path to writing instruction Establishing professional communities to support individual and school wide needs based research The appendixes include graphic organizers to support strategy lessons suggestions of titles for building classroom libraries as well as web sites and professional resources that support the teaching of reading Yellow Brick Roads will give you rich ideas detailed strategies and literature support for implementing those strategies At a time when many are looking for that elusive wizard to solve students reading problems this book helps
