K. Rowling,2012-09-27 A big novel about a small town When Barry Fairbrother dies in his early forties the town of Pagford is left in shock Pagford is seemingly an English idyll with a cobbled market square and an ancient abbey but what lies behind the pretty fa ade is a town at war Rich at war with poor teenagers at war with their parents wives at war with their husbands teachers at war with their pupils Pagford is not what it first seems And the empty seat left by Barry on the parish council soon becomes the catalyst for the biggest war the town has yet seen Who will triumph in an election fraught with passion duplicity and unexpected revelations A big novel about a small town The Casual Vacancy is J K Rowling s first novel for adults It is the work of a storyteller like no other **Almost Even** Ayo Joseph,2012-07-24 Jennifer Cole was born to a single mother who was deserted during her conception by her uncommitted lover She grew up to learn the fact of her fatherless life and the pains and sorrow her mother had passed through She became resolved to take it out on every man that crossed her path Even her career success and her beauty could not hinder her calm resolution Every man that encountered her never had a good story to tell Then she met her equal in Ian McHughes the only man she ever loved and ever wanted but never would have because he fell in love with her best friend and flatmate while she was playing hard to get She would either have him or no one would But how would she cope with this strange feeling of love How would she manage the love she has never known Would she accept the fair retribution of fate Or would she attempt to play out her desire for vengeance on her unknown half brother *Walking to Hollywood* Will Self,2012-08-03 Walking to Hollywood is a dazzling triptych obsessive satirical elegiac in which Will Self burrows down through the intersections of time place and psyche to explore some of our deepest fears and anxieties with characteristic fearlessness and jagged humour Very Little is ostensibly the account of a curative journey to Canada and the USA but in fact the record of a nematode s progress as the worm of obsession with scale and packing and the stuff of our lives bores through a mind in extremesis Walking to Hollywood is an extreme satire on

celebrity in which the narrator believes that everyone he meets is played by a famous actor and that only he can solve the mystery of who murdered the movies Spurn Head leads Self to a tormented sojourn with a madman whose house is sliding over the edge of a cliff to a game of checkers with Death and finally to an encounter with one of Swift's immortal Struldbruggs and a march through a tear in time itself In *Walking to Hollywood* Will Self pushes memoir to the limits of invention
