candidates seeking certification to teach the middle level grades in Texas's public schools must pass the TExES Core Subjects 4-8 exam. Written by a team of faculty experts led by Dr. Ann M. L. Cavallo, Associate Dean for Research and Graduate Studies at the University of Texas at Arlington, REA's test prep provides extensive coverage of the four core subject areas tested on the exam: English Language Arts and Reading (806), Mathematics (807), Social Studies (808), and Science (809). In addition to a thorough review, this test prep features a diagnostic test and 2 full-length practice test batteries: 1 in the book and 1 online at the REA Study Center that deal with every question type, competency, and skill tested on the exam. REA's online tests run under timed conditions and provide automatic scoring and diagnostic feedback on every question to help teacher candidates zero in on the topics that give them trouble now so they can succeed on test day. The new 200-question Core Subjects test, one of the largest of its kind in the United States, was first administered in January 2015; it replaced the TExES Generalist 4-8 (111) exam. REA's test prep package includes: Comprehensive review of all domains and content categories tested on the TExES Core Subjects 4-8 exam; Online diagnostic that pinpoints strengths and weaknesses to help focus study; 2 full-length practice test batteries based on actual exam questions; Practice test answers explained in detail; Proven study tips, strategies, and confidence-boosting advice; Online practice tests feature timed testing, automatic scoring, and topic-level feedback. REA's TExES Core Subjects 4-8 (211) is a must-have for anyone who wants to become a middle school teacher in Texas.

How Happiness Happens Bible Study Guide Max Lucado, 2019-09-03

There's a path to happiness that always delivers. Our culture tries to convince us there is one way to happiness: aspire, acquire, desire, retire. We're told that happiness depends on what we hang in our closet, park in our garage, and deposit in our bank account. Yet it's a path that always fails to deliver. In this video Bible study DVD, video streaming (sold separately), bestselling author Max Lucado looks at several compelling passages in the Bible that reveal how the happiest people on earth aren't those who have the most, but those who are willing to give the most away. Max also uses Scripture to show us how to address some of the most common sources of unhappiness, such as: Dealing with difficult people, Coping with tough circumstances, Overcoming low self-esteem, Managing stress. God wants to bring joy to the people of this generation. In his Word, he has given us practical and applicable ways to discover that joy by sharing it with others. Although the world can be a lonely and disappointing place, we can be God's representatives to bring about a cascade of kindness. While we won't be able to solve every problem, we can bring a few smiles to a few faces, and in this way, we might even initiate our own quiet revolution of joy. *How Happiness Happens* is perfect for small groups of friends or church groups who want to get to know each other better and for introverts and extroverts alike. This study guide includes video teaching notes and discussion questions, Bible exploration, weekly personal study and reflection materials. Designed for use with the *How Happiness Happens* Video Study 9780310105732 (sold separately). Streaming video also available.
