Couples D.Merilee Clunis,G. Dorsey Green,2004-12-21 Written by two experienced lesbian therapists Lesbian Couples covers a range of topics from marriage to money to conflict resolution and presents a variety of helpful examples and problem solving techniques drawing from research done on lesbian couples over the past decade **English Poetry..** ,1910 **The**

Routledge Handbook of Motherhood on Screen Susan Liddy,Deirdre Flynn,2025-04-25 The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces Over five distinct sections this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen Offering a full scholarly overview of the field this handbook provides a ground breaking and important contribution to our understanding of motherhood on screen The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide ranging and comprehensive contribution to knowledge of on screen representations An international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood Thoroughly challenging and expanding understandings of motherhood and mothers this handbook will be an essential multi faceted publication for researchers and students of film TV animation motherhood gender studies feminism ageing studies anthropology and sociology Lesbian Histories and Cultures Bonnie Zimmerman,2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered **BOOK JACKET** **Encyclopedia of Lesbian and Gay Histories and Cultures**

Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many

aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future *English Poetry - from Chaucer to Gray*,1910 *Choice*,2000 **Screen Acting** Peter Kramer,Alan Lovell,2014-04-08 While not everyone would agree with Alfred Hitchcock s notorious remark that actors are cattle there is little understanding of the work film actors do Yet audience enthusiasm for or dislike of actors and their style of performance is a crucial part of the film going experience Screen Acting discusses the development of film acting from the stylisation of the silent era through the naturalism of Lee Strasberg s Method to Mike Leigh s use of improvisation The contributors to this innovative volume explore the philosophies which have influenced acting in the movies and analyse the styles and techniques of individual filmmakers and performers including Bette Davis James Mason Susan Sarandon and Morgan Freeman There are also interviews with working actors Ian Richardson discusses the relationship between theatre film and television acting Claire Rushbrook and Ron Cook discuss theri work with Mike Leigh and Helen Shaver discusses her work with the critic Susan Knobloch

English Poetry in Three Volumes: from Chaucer to Gray. Geoffrey Chaucer,1910 Vol 1 Chaucer to Gray Vol 2 Collins to Fitzgerald [The Case for Gay Rights](#) David A. J. Richards,2005 As Americans wrestle with debates over traditional values defense of marriage and gay rights reason often seems to take a back seat to emotion In response legal scholar Richards reflects upon the constitutional and democratic principles relating to privacy intimate life free speech tolerance and conscience that underpin these often heated debates The distillation of Richards s thirty year advocacy for the rights of gays and lesbians his book provides a reflective treatise on basic human rights that touch all of our lives He places in context two key Supreme Court cases the 1986 Bowers v Hardwick decision and the 2003 Lawrence v Texas decision which overturned it Drawing upon his own experiences as a gay man Richards interweaves personal observations with philosophical political judicial and psychological insights to make a case that gays should be entitled to the same rights and protections that every American enjoys From publisher description **Differences, Deceits and Desires** Mirna Cicioni,Nicoletta Di Ciolla,2008 Italian crime fiction known as gialli in Italy has developed from a popular genre to a fully fledged literary genre and in the past thirty years it has gradually become the focus of growing interest from literary critics as well as the reading public This collection of twelve essays is the first one in English to deal exclusively with Italian crime fiction The essays are scholarly yet accessible contributions to the growing research in this field They analyze texts by well known authors such as Umberto Eco Leonardo Sciascia and Andrea Camilleri as well as works by younger writers They bring

together four of the most significant strands of Italian gialli the way gialli develop or subvert the tradition and conventions of the crime genre regional specificity within Italian crime fiction gialli by and about women lesbians and gay men and representations of Italy in gialli written by English speaking writers *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *The Queer Sixties* Patricia Juliana Smith,2013-12-16 The Queer Sixties assembles an impressive group of cultural critics to go against the grain of 1960s studies and proposes new and different ways of the last decade before the closet doors swung open Imbued with the zeitgeist of the 60s this playful and powerful collection rescues the persistence of the queer imaginary **Feminism And Philosophy** Nancy Tuana,Rosemarie Putnam Tong,2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves Organized around nine traditional types of feminist philosophy **Feminism and Philosophy** is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields **Being Mother Courage** Jan Anthony,2024-09-29 I ll be a key to help you unlock the door to your side of that closet In *Being Mother Courage* Bea and Jan become the visibly out local lesbians with their feminist bookstore With parents passing and ex husbands getting the kids Jan and Bea create women s groups and Goddess circles They boldly confront the loss of Jan s cherished Door County land and her continuing job harassment despite her successes Humorous misadventures ride with them along Door County s precious land Florida s Atlantic Ocean tests their scuba diving skills Mexico s road to and from Chichen Itza requires some spunk After they get a two page manuscript they illustrate design publish and promote *Something Happened to Me* their children s sexual abuse book which goes international and relocates their dream Bea moves out of the confines of the local bookstore to sell their book to the world

Being Mother Courage is Book Four In The Whistling Girls Crowing Hens Series two straight married women risk families and careers leave society's compulsory heterosexuality in 1972 and boldly survive in an uncharted intimate relationship Jan and Bea experience historic events in the women's movement and gay lesbian world in their thirty nine years together Each book presents deeper levels on major topics and adventures

English Poetry Charles William Eliot,1910 *Choices in Sexuality* Susan McCammon,David Knox,Caroline Schacht,2004

Women and Comedy Susan Carlson,2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy Women and Comedy shows how a genre that has been used historically to restrict women's behavior is being reconfigured to express women's triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women's theater collectives Women and Comedy is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts

The Practice of Love Teresa De Lauretis,1994 Between 1970 and now in conjunction with earlier and contemporaneous social movements feminism and poststructuralism have made way for the rise of minority discourse and gay and lesbian studies as fields of scholarly and theoretical research Conceived from the vantage point of the latter this book returns to Freudian psychoanalysis and semiotics to the questions of representation subjectivity desire and their relations to social signification and material reality
