

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Thank you for volunteering, Coach!

"The Coach is first of all a teacher." - John Wooden

Your dedication as a mentor to our future leaders is to be commended! The Bonita Springs YMCA welcomes you to the Youth Sports Program. A goal of the Bonita Springs YMCA is for all youth sports participants, both parents and children, to have an enjoyable sporting experience. Skill development is the main component of all YMCA Youth Sports. Non-competitive games are a part of every season, and it is the intent of each team to have each child play an equal amount of time in every game. A **Fun** and **Friendly** environment is a characteristic of all YMCA programs.

Youth Sports programs are possible by the dedication of volunteers. Many volunteers put in several hours of work to make the YMCA programs a success. Thank you to all of YOU who invest time and energy into the lives of young people today. Families are very important to the Bonita Springs YMCA! Please take an interest in your athlete by focusing on fundamental development with him/her during the practices and games. Time spent with your athlete a few minutes before or after sports practices/games helps build confidence and relationships.

Thank you for your participation. We look forward to serving you and your athletes in our Youth Sports Program. If you have any comments or questions please call the Bonita Springs YMCA at (239) 221-7560 or to reach our program director, Jamie Hoover, at jhoover@bonitaspringymca.org.

"Ability may get you to the top, but it takes character to keep you there." -John Wooden.

Best of luck to you and your team this season.

Sincerely,

Jamie Hoover

wisdom and each person as extraordinarily unique Thus rather than trying to programme the unconscious with new instructions Erickson saw trance as an experiential learning state where a person s own creative unconscious could generate healing and transformation At the same time Erickson for the most part carried the same low opinion of the conscious mind Thus Ericksonian hypnosis looks to bypass the conscious mind with indirect suggestions and dissociation and depotentiate it with confusion techniques
