ily lives with her grandmother who teaches her how to garden One day Grandma gives her a special packet labeled Kindness Seeds She explains These seeds don t just grow in the ground they grow in people s hearts Curious Lily plants her first kindness seed by helping an elderly neighbor carry groceries The next day something magical happens a tiny sprout appears in her garden She realizes that every time she does something kind a new flower blooms Excited Lily continues planting kindness She shares with her little brother invites a shy new classmate to play and writes a thank you note to her teacher With each kind act her garden grows more beautiful Soon her kindness spreads beyond her garden Neighbors begin helping one another children share more and the whole community becomes warmer and friendlier One day Lily notices an empty patch in her garden where nothing seems to grow Feeling discouraged she asks her grandmother why Grandma reminds her that kindness takes time even if she can t see the results right away her actions still make a difference

Inspired Lily keeps planting kindness trusting it will bloom when the time is right From that day on Lily becomes known as The Kindness Gardener She teaches others how to plant kindness and soon kindness gardens bloom everywhere The story ends with a simple but powerful message Kindness doesn't just grow in gardens it grows in people's hearts And just like flowers the more we care for kindness the more it spreads *He Planted a Seed* Irene Martinez, 2010-05-15 When someone loses a child there are no words that can be said that will ease the pain What we need most is prayers and a compassionate friend to listen My son Jay died at the early age of 36 He was a young man that was full of life and brought a smile to everyone he touched My book *He Planted a Seed* is a compilation of my own remembrances of my beloved son Each line of prose is a tribute to the life that he lived and the lives that he touched Jay spent his short life planting seeds of hope and happiness in each life he came in contact with He is gone from this natural world but his spirit lives on in the hearts and memories of those who loved him Each seed Jay planted has left a tree of wisdom and joy that each of us continue to live and learn from every day To those who choose the path of wisdom love and courage his footsteps are deep His path is easy to follow because it is lined with the trees born of the seeds Jay planted in his life Bless you on your journey
