

Transmission control module (TCM), replacing

Points to observe when replacing the [control module](#)

Caution! Software [can](#) only be ordered when the control module is installed in the vehicle. VIDA reads off the new control module identity which is required to order the correct software.

Caution! Wait two minutes after the ignition has been switched off. The [main relay](#) must be voltage-free before the control module can be removed from the car. If the engine cooling fan runs on after the ignition has been switched off, wait until it stops. Then wait another two minutes.

Caution! Always check that the control module and control module box connector pins and sleeves are not bent or damaged. This may have caused the fault.
