Solutions Manual 9780470458211:

Elementary Linear Algebra Howard Anton, 2010-03-15 When it comes to learning linear algebra engineers trust Anton. The tenth edition presents the key concepts and topics along with engaging and contemporary applications. The chapters have been reorganized to bring up some of the more abstract topics and make the material more accessible. More theoretical exercises at all levels of difficulty are integrated throughout the pages including true/false questions that address conceptual ideas. New marginal notes provide a fuller explanation when new methods and complex logical steps are included in proofs. Small scale applications also show how concepts are applied to help engineers develop their mathematical reasoning.
