days of unsupervised freedom and put them together in South East Asia's number one party town you get a true adventure of unbelievable proportions full of fun laughter love sex and tragedy Why tragedy Because none of them could ever speak about it except amongst themselves Apart from one photograph this remains the only record of their tale So pull up a chair take your shoes off and relax For your reading pleasure **The Fool is Back** **Annals of Tourism Research**, 1988 Thai Private Eye Warren Olson, 2008-12-01 This volume the follow up to Olson's bestselling *Confessions of a Bangkok Private Eye* serves up more juicy portions of what goes on under the veneer in Thailand and includes stories deemed too hot to include in the first book for fear of repercussions It also includes recent cases where state of the art surveillance devices and other advances in the dark arts of private investigation have made it easier to uncover dirt deep below the surface This is a book that reads like exciting fiction with one big difference every story is true Only the names and related identifying details have been changed to protect the innocent along with the guilty These chronicles of a decade lived dangerously in the Land of Crooked Smiles will by turns entertain shock inflame and inform you *The Year of the Lieutenant* John Harrington, 2016-07-27 In September 1967 with the Vietnam War raging Lieutenant Jim Doyle arrives at a small United States Air Force radar site in Nakhon Sarang a town in central Thailand He is the new administrative officer for the site where the work is in support of the bombing of North Vietnam and Laos As the year wears on Doyle must not only deal with the internal politics of the site's leaders but also with troubled officers and airmen his own conflicted feelings about the war and his entanglements with several Thai women some bawdy and some uplifting His confused emotions lead him to become awkwardly involved in another lieutenant's romantic situation one that ends badly for everyone At the end of his year long assignment Doyle leaves Nakhon Sarang and Thailand disappointed in his inability to have made sense of his experience a feeling that will continue to trouble him for years to come Although ultimately a sad tale the story is also a portrait of young Americans dropped into an exotic culture in wartime portraying them with humor sometimes risqué and sometimes farcical but always with an underlying empathy **Confessions of a Bangkok PI** Warren Olson, 2006-07-28 Two timing bargirls suspicious spouses and lesbian lovers it was all in a day's work for Bangkok Private Eye Warren Olson Fluent in Thai and Khmer Olson walked the mean streets of Bangkok and was able to go where other Private Eyes feared to tread The stories are based on Olson's case files fictionalized to protect the innocent and the guilty by bestselling author Stephen Leather A Fool in Paradise Neil Hutchison, 2011-02 Following hot the heels of his best seller *Money Number One* Neil Hutchison continues his in depth investigation into the tourist playground of Pattaya This collection of short stories originally published individually under the pseudonym A Fool in Paradise form a collage of insights into the machinations of this fantastic city on the eastern seaboard of Thailand Anyone who has read *Money Number One* will enjoy this follow up book as it reinforces the conclusions drawn and advice presented in the former through the personal experiences of the author The tales are fast paced humorous well written and ALL TRUE Well almost Sir Winston Churchill quipped that Success consists of going from

failure to failure without loss of enthusiasm If that is true then Neil is a success story because his love and enthusiasm for Pattaya and its people has not diminished over the years The highs lows ups downs laughter and tears portray a convincing analysis of the human condition As Neil says Pattaya is to a writer what a room full of fruit bowls is to an artist The last story Footprints in the Sand is a particularly poignant tale of just how the city can affect its visitors and guests even those who should know better Written with his heart firmly on his sleeve it proves that no matter how smart we think we are or how old we get we just never learn This tale is a must read for any foreign male contemplating a long term liaison with a Thai lady

Asiatic Moments Al Culler, Bangkok in the late eighties through to the new century humming with energy and potential not yet ruined by the internet hordes Al Culler managed to secure an easy gig in the city that meant he could spend most of his time in the crazy neon zone and used his visa trips to explore other cities in the region He was later rudely ejected from paradise but it took some serious madness to get to that point *The Enemy Within* Noel Hynd,2006-03-07 It is early summer of 2009 an uneasy time in the American capital Washington is tense over a showdown between the United States and the new ruler of Libya Laura Chapman is a U S Secret Service agent assigned to the White House She is quirky solitary and frequently unorthodox She is sexy and fit adept with a pistol as well as with a hundred pound Everlast bag But she is also

a brilliant intelligence analyst That s why she has been assigned to the Presidential Protection Detail for the past eleven years The CIA assigns Laura to a case that borders on the unthinkable an assassination plot against the new president Shockingly the trigger man will be a member of the United States Secret Service Since the CIA knows that the assassin is male Laura is not a suspect The odds are heavily against her locating an alleged assassin within the Service and even more heavily against her surviving the assignment Beyond that problems abound First because of her age and gender members of the Service as well as agents in the CIA and FBI are waiting for her to fail Second Laura s personal life is in disarray and her secret drinking is about to get out of hand Third the hit is scheduled to take place on July 4 2009 in the Oval Office Less than two weeks from now As her investigation proceeds Laura cannot shake the suspicion that there are things she has not been told that she is being set up In her increasingly frequent moments of paranoia she wonders Am I going to be the new Lee Harvey Oswald
