That Will Change Your Life

1 The Great Law

Whatever we put out in the Universe is what comes back to us.

2 The Law Of Creation

Life doesn't just HAPPEN, it requires our participation.

3 The Law Of Humility

What you refuse to accept, will continue for you.

4 The Law Of Growth

For us to GROW in Spirit, it is we who must change – and not the people, places, or things around us.

5 The Law Of Responsibility

We must take responsibility for what is in our life.

6 The Law Of Connection

Past-Present-Future they are all connected.

7 The Law Of Focus

You can not think of two things at the same time.

8 The Law Of Giving And Hospitality

If you believe something to be true, then sometime in your life you will be called upon to demonstrate that particular truth.

The Law of Happiness Dr. Henry Cloud,2011-01-06

Since the beginning of time people have searched for happiness and have amassed many and varied opinions on how it is found Only recently has empirical science devoted extensive research to questions such as Is happiness within our control What role does God play in making people happy How do I close the gap between where I want Drawing from the latest scientific and psychological research on the quest for happiness The Law of Happiness reveals that the spiritual truths of the Bible hold the secrets to the happiness we desire As Dr Henry Cloud unpacks theseuniversal eternal principles he reveals that true happiness is not about circumstances physical health financialsuccess or even about the people in our lives In other words it s not about the factors that are frequently beyond our control Rather happiness is found in choosing to become the kind of people God created us to be With chapter titles like Happy People Connect Happy People Are Envy Free and Happy People Forgive Dr Cloud shows just how happiness is achieved as he sets readers on a pathway of spiritual transformation that connects them with the God of the universe With these new tools readers will discover that their relationships their careers and their inner selves are infused with the joy they ve been seeking

Basic Handbook of Police Supervision: A Practical Guide for Law Enforcement Supervisors Gerald W. Garner,2022-02-23 This updated handbook provides reliable guidance on what to do next and offers practical no frills advice about what to do to counter the day to day challenges and outright calamities that make up the first line leader s work life Perhaps even more important it offers time proven recommendations on how to prevent a bothersome situation from escalating into crisis proportions in the first place It

will prove equally useful to the veteran novice or future law enforcement supervisor Its sound advice will help him retain his emotional as well as physical and moral health in a real world environment that seems to become more challenging every day It will help him to lead and bring his people to share his practices and beliefs in doing a very critical job the right way Just as it should be the handbook is short on theory and long on how to advice It is literally a resource that the supervisor can tuck into an equipment bag or otherwise keep close at hand It likewise will aid him in carrying out the very practical tasks of communicating effectively evaluating employee performance correcting inappropriate behavior and helping his officers survive both on the street and in the police organization A new chapter has been added on the topic of how to lead successfully during the current very challenging environment for law enforcement entitled How to Lead During Challenging Times Summary boxes have been interspersed throughout the text that emphasize important points for police leaders to remember Meanwhile the handbook will assist the law enforcement leader in working well with his own boss and planning his own career There is no job description in the world quite like that of first line law enforcement boss The job is as unique as it is difficult and vital to the success of any successful police organization This book will help them become even better at their very important job
