Jordan, 2019-11-18 Book 1 The Billionaire's Desire A Dark Billionaire Romance Short Story He was tall with long black hair He wore a suit and he wore it well it was tight fitting and hugged his lithe body He was talking heatedly with another man in a suit near a door marked employees only As Molly watched he laughed and patted the other man on the shoulder and then turned and made to walk away but then he caught her eye She suppressed a squeal she didn't know why but she would have squealed if she hadn't made the conscious effort to stop it and looked away She was near the eggs now so she focused on them She felt more than heard his presence behind her and her whole body froze She felt like a shadow had just descended on the entire aisle Who was this man and why was he standing behind her She suppressed the urge to turn around She didn't know why but the idea of turning around was terrifying to her Well she did know why he was incredibly attractive and he was close to her She wasn't very good with attractive men She wasn't very good with men in general Finally she heard him heavy breathing in and out slow rugged breaths Book 2 The Billionaire's Deal A Dominant Billionaire Romance Short Story I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees the light just sparkling through the leaves like shiny copper pennies falling from heaven Of course I know Copper Ridge Ranch was named for the natural element once found in its soil and if anything rains down on Marcus Eliott it's not copper It's thousand dollar bills Do they even make those If they do I'm sure Mr Eliott uses them like tissue paper I take the corner a little too fast and hear the rattle of the food trays in the back Great that's all I need On the day Marcus welcomes August Kalle into his home I'm going to show up with a cheesecake covered in road rash I'm lucky though Not too much to unload on this trip I started Carrie's Catering because I liked to cook and I needed a job Little did I know I'd spend most of my time being a roadie spending more time loading and unloading the van than mixing baking or frosting all together But Copper Ridge Ranch is my flagstone client They spend so much money and time on catering Mr Eliott once asked me to consider moving into a guest house and just living here Book 3 The Billionaire's Trust A Female Billionaire Romance Short Story An urgent flashing of the house lights beckoned the audience back to their seats for the Second Act Vicki had spent the intermission backstage chatting with two of her favorite singers who would soon grace the stage once more as the booming baritone Magnifico and his daughter Angelina a dazzling soprano whose career had reached new heights during these ten high profile New York performances Vicki couldn't conceal her delight at the absolutely full house I guess the new marketing firm really hit one out of the park she commented quietly to Martin as the lights dimmed All ten performances are sold out Her lawyer friend smiled It's the inspired leadership they've been getting he replied New blood new ideas It's just magnificent The maestro appeared at the edge of the orchestra pit and received enthusiastic applause Although even I would admit that Rossini's genius might have something to do with it Martin said raising his voice over the audience's appreciation Still you've broken the glass ceiling yet again I would say Bravo Miss Vydra You're too kind she said patting his hand as the strings stirred in a quiet but ominous tremolo quickly ushering in a sudden and violent orchestral tutti brassy and loud which filled the huge auditorium

with the dark ferocity of the storm it depicted Vicki let the eruption pass through her finding herself carried by its torrential force allowing the moment to fill her with an awed respect for nature's power. She knew that it could not last and the audience was soon deposited kindly into the peaceful meadow of the storm's passing. Horn calls signaled the all clear and as one can always expect from Rossini the good humor and delicate social fun poking resumed. **WARNING** This collection which contains some very steamy love scenes. The Intern Murders Carl Douglass, 2022-12-20 *The Intern Murders* is a convoluted enigma stymieing the best of the best as they seek out the worst of the worst to find a killer or killers. After two interns are killed the motive is simple and the dragnet begins. After five murders SCOTUS is in existential danger the obvious original motives are moot and the FBI and the nation's intelligence services feel like fools. There is vituperation between and among the blacks and whites the Republicans and Democrats more than a few international players and it looks like war will break out within the hallowed chambers of the Supreme Court Justices. There is no end in sight.

No Billionaire Left Behind Angelique Haugerud, 2013-04-17 Growing economic inequality corporate influence in politics an eroding middle class. Many Americans leave it to politicians and the media to debate these topics in the public sphere. Yet other seemingly ordinary Americans have decided to enter the conversation of wealth in America by donning ball gowns tiaras tuxedos and top hats and taking on the imagined roles of wealthy powerful and completely fictional characters. Why In *No Billionaire Left Behind* Angelique Haugerud who embedded herself within the Billionaires and was granted the name Ivana Itall explores the inner workings of these faux billionaires and mines the depths of democracy's relationship to political humor satire and irony. *No Billionaire Left Behind* is a compelling investigation into how satirical activists tackle two of the most contentious topics in contemporary American political culture the increasingly profound division of wealth in America and the role of big money in electoral politics. Anthropologist and author Angelique Haugerud deftly charts the evolution of a group named the Billionaires a prominent network of satirists and activists who make a mockery of wealth in America along with other satirical groups and figures to puzzle out their impact on politics and public opinion. In the spirit of popular programs like *The Colbert Report* and *The Daily Show* the Billionaires demonstrate a sophisticated knowledge of economics and public affairs through the lens of satire and humor. Through participant observation interviews and archival research Haugerud provides the first ethnographic study of the power and limitations of this evolving form of political organizing in this witty exploration of one group's efforts.
