Her hips are too big her nose is too sharp and her lips are too wide But she's so ready to step out of the background and into the spotlight When Knox gets trashed in the tabloids his publicist pitches the idea of an image saving marriage to Irina Irina figures the publicity can t hurt and accepts until the offers for major roles start pouring in and she doesn t need the arrangement Unfortunately Knox has broken the first rule of marrying an actress for publicity don t fall in love But can he handle a real relationship And is she ready to stop Wolfbane Celia Hart, 2022-07-15 Jasmine I always follow the rules Especially the one to wait for your mate pretending Don't flirt Don't date Don't fall for anyone but your one true love But then I meet the mysterious future alpha and suddenly I am thinking about doing unthinkable immoral things with a very sexy man who is definitely off limits That is until my first crush reappears Now I m torn choosing between two hot muscular werewolves and life has gotten complicated They didn t write a rule book about this Blake The Moon Goddess granted me a mate then regretted it and took her right back But who am I to complain I am the alpha after all I m supposed to have everything I want Everything but discipline self control and common sense Because that all seems to vanish as soon as I meet her Luke I totally messed up I betrayed my mate before the bond clicked into place I didn t wait Didn t hesitate Didn t even think it through I may have made a huge mess but I m going

to clean it up I can handle it I think Content warning As with many paranormal romance novels this book contains mature adult content offensive language and some graphic violence and may not be suitable for young readers The Folkloresque Michael Dylan Foster, Jeffrey A. Tolbert, 2015-11-02 This volume introduces a new concept to explore the dynamic relationship between folklore and popular culture the folkloresque With folkloresque Foster and Tolbert name the product created when popular culture appropriates or reinvents folkloric themes characters and images Such manufactured tropes are traditionally considered outside the purview of academic folklore study but the folkloresque offers a frame for understanding them that is grounded in the discourse and theory of the discipline Fantasy fiction comic books anime video games literature professional storytelling and comedy and even popular science writing all commonly incorporate elements from tradition or draw on basic folklore genres to inform their structure Through three primary modes integration portrayal and parody the collection offers a set of heuristic tools for analysis of how folklore is increasingly used in these commercial and mass market contexts The Folkloresque challenges disciplinary and genre boundaries suggests productive new approaches for interpreting folklore popular culture literature film and contemporary media and encourages a rethinking of traditional works and older interpretive paradigms **Viral** Mike Jeavons, 2019-02-07 Chad McKenna wants to live a guiet life of playing games and watching YouTube But when a private video of himself enjoying some alone time goes viral he is suddenly thrust into the media spotlight Chad guickly becomes a reluctant internet celebrity As the video begins to spread across the internet it becomes clear that this isn t your ordinary meme It s a virus and one that will do anything to survive including murder If there s anything worse than a video of yourself masturbating going viral it s a roque robotic army of soldiers that all look like a naked version of yourself who are willing to go to war with the entire world And Chad is the only one with the power to stop it In Limbo A.D. Aliwat, 2021-01-21 There s something in the air but it isn t love Apocalyptic forces both real and imaginary loom large in this sprawling novel set in 2012 New York City Ray an Ivy League grad and struggling fledgling journalist is a few weeks into trying to make ends meet as a bicycle courier when he mounts an investigation to solve the mystery of his own death Along the way he strikes up a strange romance with Haruka a young woman seeking self empowerment through a malevolent form of online dating and finds himself taken under the wing of an exalted aging academic Emerson whose Virgil like guidance might not be all that it seems Equal parts zany existential detective story scathing Web 2 0 sendup and poignant elegy for what was lost in the smartphone revolution In Limbo asks critical psychological and spiritual questions about what it means to be alive and human in the 21st century The 2016 American Presidential Campaign and the News Jim A. Kuypers, 2018-03-14 This book examines perhaps the most contentious election in modern US history the 2016 United States presidential election It is unique in its discussion of a wide range of issues affecting the news media coverage of the election coming from an equally diverse range of intellectual perspectives including the rhetorical social scientific communication studies and media studies With eleven chapters

grounded in hard evidence and communication theory The 2016 American Presidential Campaign and the News Implications for American Democracy and the Republic examines significant topics such as fake news media construction of Hillary Clinton's and Donald Trump's campaign personalities media bias visual meme depictions of the candidates identity politics in the news Trump's Twitter use entertainment news and social media as news These chapters individually and collectively provide a direct commentary on the implications of the 2016 campaign news coverage for the future of the American Algospeak Adam Aleksic, 2025-07-15 From linguist Adam Aleksic Republic and political communication in the media known as etymologynerd on social media comes a captivating exploration of how internet algorithms are transforming language and communication in unprecedented ways Packed with fascinating facts of the moment observations and a sparkling voice Algospeak is a gift to any word nerd Deftly covering everything from emoji etymologies and trendbait to Taylor Swift fanilects Adam Aleksic is the wise yet accessible internet linguistics oracle we need Amanda Montell author of The Age of Magical Overthinking and Cultish From brainrot memes and incel slang to the trend of adding core to different influencer aesthetics the internet has ushered in an unprecedented linguistic upheaval We re entering an entirely new era of etymology heralded by the invisible forces driving social media algorithms Thankfully Algospeak is here to explain As a professional linguist Adam Aleksic understands the gravity of language and the way we use it he knows the ways it has morphed and changed how it reflects society and how in its everyday usage we carry centuries of human history on our tongues As a social media influencer Aleksic is also intimately familiar with the internet s reach and how social media impacts the way we engage with one another New slang emerges and goes viral overnight Accents are shaped or erased on YouTube Grammatical rules loopholes and patterns surface and transform language as we know it Our interactions social norms and habits both online and in person shift into something completely different As Aleksic uses original surveys data and internet archival research to usher us through this new linguistic landscape he also illuminates how communication is changing in both familiar and unexpected ways From our use of emojis to sentence structure to the ways younger generations talk about sex and death see unalive in English and desvivirse in Spanish we are in a brand new world one shaped by algorithms and technology Algospeak is an energetic astonishing journey into language the internet and what this Modernisation of Chinese Culture Jana S. Rošker, Nataša Vampelj Suhadolnik, 2013 intersection means for all of us The editors are grateful to the Chiang Ching kuo Foundation for its generous support of their research work which enabled them to publish the present book The present book carefully maps the Chinese modernisation discourse highlighting its relationship to other similar discourses and situating it within historical and theoretical contexts In contrast to the majority of recent discussions of a oeChinese development model that tend to focus more on institutional then cultural factors and are more narrowly concerned with economic matters than overall social development the book offers several important focal points for many presently overlooked issues and dilemmas The multifaceted perspectives contained in this anthology are not

limited to economic social and ecological issues but also include political and social functions of ideologies and cultural conditioned values representing the axial epistemological grounds of modern Chinese society 2011 was the 100th anniversary of the Xinhai Revolution The centennial is relevant not only in terms of state ideology but also plays a significant role within academic research into Chinese society and culture This historic turning point likewise represents the symbolic and concrete linkages and tensions between tradition and modernity progress and conservatism traditional values and the demands for adjustment to contemporary societies The book shows that Chinese transition from tradition to modernity cannot be understood in a framework of a unified general model of society but rather through a more complex insight into the interrelations among elements of physical environment social structure philosophy history and culture #@&% Is That? John Joseph Adams, Douglas Cohen, 2016-11-01 The Saga book of all contain the line What the % is That is often humorous sometimes terrifying but always incredibly entertaining Ranging from irreverent humor to straight out horror What the % Is That grew from a meme on Twitter when iconic comic book artist Mike Mignola painted a monster Nobody knew what the F it was but they loved it Renowned editors John Joseph Adams and Doug Cohen then asked some of the best writers in the fantasy horror and thriller genres including Jonathan Maberry Seanan McGuire Christopher Golden and Scott Sigler to create a monster story that included the line WTF is that This anthology is a feast for the imagination for anyone who loves monsters The Meme as the Message Joanna Nowotny, Julian Reidy, 2025-10-31 This book sheds light on the phenomenon of memes covering everything from pandemic humour to far right propaganda from feminist memes to algorithmic censorship Memes are far more than light entertainment they are complex cultural artefacts that play a role in politics in art and in platform economics Taking a cultural studies perspective the authors analyse individual memes in entertaining case studies systematising their findings in order to redefine this digital form of communication Chapters connect memes with other digital phenomena such as trolling and combine extensive close readings of exemplary individual memes with regards to form and aesthetics with an acute awareness of power dynamics and other context phenomena surrounding memes The book develops an innovative theoretical approach that presents the term memesis to capture the very specific quality of meme production and reception as a form of collective creative rewriting of a template in accordance with algorithmic logic Offering an important contribution not only to the still young field of meme studies but also to the general negotiations of questions around digital literacy this book will interest not only scholars and students of digital media visual communication cultural studies and media and politics but anyone with a keen interest in digital culture and how it Social News Edward Hurcombe, 2022-02-25 This book is the first to define and describe social news a shapes our lives new kind of journalism emerging in response to social media Drawing on the author's extensive research into news and social media platforms Social News critically examines the rise of well known outlets such as BuzzFeed and Mic in the US and Junkee and Pedestrian in Australia Hurcombe argues that these outlets became successful by strategically engaging with

social media producing sociable content personalised for millennials Such outlets have been criticised for violating the rules of quality journalism However this book shows how social news has provided a platform for marginalised voices and has been able to engage readers neglected by legacy news While social media is frequently seen as a threat to the news industry Social News shows that digital platforms have been driving new forms of journalism ones that challenge our understanding of what journalism is can be and should be
