**The Life-Changing Power of Group Psychometry** Kim McCauley Ph.D., 2025-01-15 The meditation psychometry group that I started in my own home is unique Although it's just one version among a myriad of other kinds of spiritual circles it's very special so special that most of the women in the group call it life changing I'm writing this book to share some of these wonderful experiences and guide others who might want to create a similar group of their own My hope is that you remember three key takeaways from this book 1 First everyone has the ability to give a helpful message We can label it as the product of intuition Spirit God our higher self inner guidance or sensory information that works like a radio signal from our body's electromagnetic field There is nothing to fear with that Nothing 2 Second no one needs to have any experience in being a psychic reader to participate 3 Third and most importantly meeting with others for the purpose of sharing helpful intuitive information deepens each person's sense of belonging self-confidence spiritual insight and personal growth I hope that as you read you'll be picturing yourself seated among us and growing with us I also hope that eventually you will become part of a group that meets regularly or consider starting a group of your own *Layered Reality* Valo Ray, 2020-08-15

*Layered Reality* is a candid dialogue between a truth seeker a semi-fictional character who personifies the author and a highly evolved channelled spirit entity Zachariah *I Am the Word* Paul Selig, 2010-06-24 The channeled Guides of *I Am the Word* provide a concise and immensely powerful program in self-awareness that can ease negative complexes and align your existence with its highest purpose Humanity has lost itself Both as individuals and as a world culture we have forgotten our true nature In *I Am the Word* writer and medium Paul Selig has recorded an extraordinary program for self-realization as dispensed through beings of higher intelligence sometimes called Guides or Ascended Masters These figures seek as they

have in the past to assist men and women in discovering the higher purposeful nature or Christed Self that lies dormant within us all In a series of enticing irresistibly practical dialogues the Guides of I Am the Word identify the emotional boulders that displace our authentic selves and consume our potential The Guides provide to the point psychological and existential insights along with self developing exercises and affirmations which begin to strip away residues of fear self doubt and self suffocating habits God Loves You Infinitely! Andrew Keogh,2010-06-11 This book may be said to approach the conveying of the truth of the Catholic faith to newcomers on the basis of the Creeds that have stood the test of time In the final analysis conviction and conversion are the work of the Holy Spirit the spirit of Divine Love Therein lies a process of growth in which the goal is to be an aroma of Christ for God s sake St Paul Conversion is like the growth of a flower in which we rejoice when we see it in full bloom However without being rooted in good soil and nourished it will die Therein lies the importance and value of a catechesis and the emphasis on the Creed which has survived the onslaughts of two millennia
