Keehn, 2013-04-15 Based on years of exhaustive and meticulous research David C Keehn s study provides the first comprehensive analysis of the Knights of the Golden Circle a secret southern society that initially sought to establish a slave holding empire in the Golden Circle region of Mexico the Caribbean and Central America Keehn reveals the origins rituals structure and complex history of this mysterious group including its later involvement in the secession movement Members supported southern governors in precipitating disunion filled the ranks of the nascent Confederate Army and organized rearguard actions during the Civil War The Knights of the Golden Circle emerged around 1858 when a secret society formed by a Cincinnati businessman merged with the pro expansionist Order of the Lone Star which already had 15 000 members The following year the Knights began publishing their own newspaper and established their headquarters in Washington D C In 1860 during their first attempt to create the Golden Circle several thousand Knights assembled in southern Texas to colonize northern Mexico Due to insufficient resources and organizational shortfalls however that filibuster failed Later the Knights shifted their focus and began pushing for disunion spearheading pro secession rallies and intimidating Unionists in the South They appointed regional military commanders from the ranks of the South s major

political and military figures including men such as Elkanah Greer of Texas Paul J Semmes of Georgia Robert C Tyler of Maryland and Virginius D Groner of Virginia Followers also established allies with the South s rabidly pro secession fire eaters which included individuals such as Barnwell Rhett Louis Wigfall Henry Wise and William Yancey According to Keehn the Knights likely carried out a variety of other clandestine actions before the Civil War including attempts by insurgents to take over federal forts in Virginia and North Carolina the activation of pro southern militia around Washington D C and a planned assassination of Abraham Lincoln as he passed through Baltimore in early 1861 on the way to his inauguration Once the fighting began the Knights helped build the emerging Confederate Army and assisted with the pro Confederate Copperhead movement in northern states With the war all but lost various Knights supported one of their members John Wilkes Booth in his plot to abduct and assassinate President Lincoln Keehn s fast paced engaging narrative demonstrates that the Knights proved more substantial than historians have traditionally assumed and provides a new perspective on southern secession and the outbreak of the Civil War

*Spain and the Abolition of Slavery in Cuba, 1817-1886* Arthur F. Corwin, 2014-10-23 This book explores the abolition of African slavery in Spanish Cuba from 1817 to 1886 from the first Anglo Spanish agreement to abolish the slave trade until the removal from Cuba of the last vestige of black servitude Making extensive use of heretofore untapped research sources from the Spanish archives the author has developed new perspectives on nineteenth century Spanish policy in Cuba He skillfully interrelates the problem of slavery with international politics with Cuban conservative and liberal movements and with political and economic developments in Spain itself Arthur Corwin finds that the study of this problem falls naturally into two phases the first of which 1817 1860 traces the gradual reduction of the African traffic to the Spanish Antilles and constitutes in effect a study in Anglo Spanish diplomacy He gives special attention here to the aggressive nature of British abolitionist diplomacy and the mounting but generally ineffective indignation resulting from Spanish failure to apply sanctions against the traffic as well as the increasing North American interest in the annexation of Cuba The first phase has for its principal theme the manner in which for decades Spain feigned compliance with agreements to end the slave trade while actually protecting slaveholding interests as the best means of holding Cuba The American Civil War which destroyed the greatest bulwark of black slavery in the New World marked the opening of a new phase 1860 1886 The author strongly emphasizes here such influences as the rise of the Creole reform movement in Cuba and Puerto Rico which reading the signs of the times gave the initial impulse to a Spanish abolitionist movement and contributed to closing the Cuban slave trade in 1866 the liberal revolution of 1868 in Spain and its promise of colonial reforms the outbreak of the great Creole rebellion in Cuba 1868 1878 and the abolitionist promises of the rebel chieftains the threat of American intervention and the abolitionist pressure of American diplomacy and the protests of the Spanish reactionaries in Spain and Cuba leading to further procrastination in Madrid The second phase has as its principal theme the shaping through all these intertwined factors of Spain s first measure of gradual emancipation the Moret Law of 1870 and all

subsequent steps toward abolition      **The ^ACamera Lies** Dan Callahan,2020-08-18 Alfred Hitchcock once famously remarked Actors are cattle In *The Camera Lies* Dan Callahan uncovers the sophisticated acting theory that lay beneath the director s notorious indifference towards his performers spotlighting the great performances of deceit and duplicity he often coaxed from them      Theo Loves Me John (Jack) Callahan,2011-11-10 THEO LOVES ME A LOVE STORY WORTH REMEMBERING One day without reason Theo finds his energies filled with a desire to bring a new woman into his life a woman who could love him deeply and a woman who would brighten his days by adding richness care and companionship to his needy life Time passed These disturbing feelings lingered And then a chance meeting a sensuous woman stopped next to him a flirtatious smile an eye contact lasting longer than seconds disarmed him A love affair followed Theo and Jenny found something new and adventurous in each other Could it be just a fresh infatuation Or could Jenny be the woman to fill Theo s dreams of finding a life long partner Unsure about the uncertainties of love Theo struggles to keep their love vibrant and alive in spite of the atypical happenings      Cuba and International Relations James Morton Callahan,1899      *The Builder* ,1915      *The Shelby Beacon* ,1918      **O.A.C.
