Seeds of Malice Christopher Lapides,2014-12-04 I will destroy you Druzeel realizes that his actions have opened another path one of evil and deceit but the path of righteousness still lies before him Choosing which one to follow is the difficult part but one thing is certain nothing will ever be the same A tiny seed of virtue still lies inside of him but as he travels through a city full of sin hatred and evil it gets harder to feel that goodness He knows it will take only the slightest push to fall into a hole of darkness so he clings tightly to that shining light But the pull of the gloom is strong and when a new figure enters his life and offers him power it may be impossible to resist With power comes fear and with that fear comes respect All he wanted was the respect of his peers and the trust of those he admired Is this new power enough to give him both Can it make him into the man he always wanted to be Or will it turn him into a monster The power is enchanting but it comes with a heavy price If he chooses to ignore those consequences then there may be no pulling him from a dark descent

21st-Century British Gothic Emily Horton,2024-01-25 In this innovative re casting of the genre and its received canon Emily Horton explores fictional investments in the Gothic within contemporary British literature revealing how such

concepts as the monstrous spectral and uncanny work to illuminate the insecure uneven and precarious experience of 21st century life Reading contemporary works of Gothic fiction by Helen Oyeyemi Kazuo Ishiguro Sarah Moss Patrick McGrath and M R Carey alongside writers not previously grouped under this umbrella including Brian Chikwava Chloe Aridjis and Mohsin Hamid Horton illuminates the way the Gothic has been engaged and reread by contemporary writers to address the cultural anxieties invoked living under neocolonial and neoliberal governance including terrorism migration homelessness racism and climate change Marshalling new modes of diasporic and cross disciplinary critical theory concerned with the violent dimensions of contemporary life this book sets the Gothic aesthetics in such works as *White is for Witching* *Double Vision* *Never Let Me Go* *The Wasted Vigil* and *Ghost Wall* against a backdrop of key events in the 21st century Drawing connections between moments of anxiety such as 9 11 the wars in Afghanistan and Iraq ecological disaster the refugee crisis Brexit the pandemic and the Gothic Horton demonstrates how British literature mediates transnational experiences of trauma and horror while also addressing local and national insecurities and preoccupations As a result 21st Century British Gothic can test geographical psychological cultural and aesthetic borders to expose an often spectralised experience of human and planetary vulnerability and speaks back against the brutality of global capitalism *Curses Come Home* Morven Watt, 2018-03-21 A virtual reality prank that goes terrifyingly wrong a desperate father who will go to any lengths to stop his estranged wife from getting custody of their daughter a brutal TV reality show that destroys one life too many All these eight stories of the extraordinary never before published reflect the dangers and horrors implicit in the way we live our lives today the dark side of 21st century life All contain subtle twists in the tail guaranteed to have you on the edge of your chair *Curses Come Home* is a collection of finely crafted tales in the finest literary tradition *Bouncer* Kipling Peterson, 2011-10-21 Georgell is a no nonsense bouncer at a popular nightclub When a violent shooter opens fire on the innocent crowd outside his bar Georgell is shocked to find himself among the victims hit on the nightclub front steps Unlike others however he survives with the consequences Although his physical wounds heal scars remain on his psyche No one can reach him not even his loving wife so Georgell attempts to lose himself in work In work though he finds no comfort Georgell sees things He swears dark shadows hang over unsuspecting patrons These dark shadows appear dangerous Georgell fears more people might get hurt He also fears for his own sanity It soon becomes apparent he isn't the only bouncer who can see the dark shadows His coworker Moose sees them too and it's hard to ignore the sense of foreboding they share Soon they realize the most powerful dark being hovers over another bouncer at the establishment Georgell and Moose have no idea why they've been given the ability to see these creatures but they know they must do something This evil influence foreshadows darkness and two mortal men must stand in the way of otherworldly demons or else say goodbye to life as they know it
