Phillips, 2021-05-03 White evangelicals have struggled to understand or enter into modern conversations on race and racism because their inherited and imagined world has not prepared them for this moment American Southerners in particular carry additional obstacles to such conversations because their regional identity is woven together with the values and histories of white evangelicalism In Know Your Place Justin Phillips examines the three community loyalties white southern and evangelical that shaped his racial imagination Phillips examines how each community creates blind spots that overlap with the others insulating the individual from alternative narratives making it difficult to conceive of a world different than the dominant white evangelical world of the South When their world is challenged or rejected outright it can feel like nothing short of the end of the world Blending together personal experiences with ethics and pastoral sensibilities Phillips traces for white southern evangelicals a line running from the past through the present to help his beloved communities see how their loyalties their stories histories and beliefs have harmed their neighbors In order to truly love repair and reconcile brokenness you first have to know your place
