The ... Annual Report of the Bentley Historical Library Bentley Historical Library, 2004 Annual Report Bentley Historical Library, 2005 **Selling Fear** Brigitte L. Nacos, Yaeli Bloch-Elkon, Robert Y. Shapiro, 2011-06 The news as commodity public good and political manipulator Selling fear the not so hidden persuaders Civil liberties versus national security Selling the Iraq war Preventing attacks against the homeland Preparing for the next attack Mass mediated politics of counterterrorism Postscript President Obama underselling fear *Grandmothering* Kathleen Stassen Berger, 2019-11-04 Contemporary grandmothers are often marginalized from extended family life because social institutions and grandmothers themselves do not understand that they could be vital for working parents for overactive children for suicidal youth indeed for many of the problems of modern grandchildren The genetics and hormones of older women have designed them to be vital family members with patience and perspective that come with age and experience In addition biology helps directly via menopause The grandmother hypothesis explains that human women unlike almost any other living creature experience decades of life after menopause in order to make grandmothers available to their descendants Here Kathleen Berger explores the role of grandmothers in the lives of their grandchildren She uses real life examples to illustrate how grandmothers can best integrate themselves into the lives of their children's families without overstepping She explores the particular needs of each stage of childhood as they relate to grandmother involvement and input Before a child is born grandmothers need to attend to building a strong relationship with the future parents In infancy attachment and feeding are crucial In early childhood grandmothers need to follow the parent's lead remembering that a parental alliance is essential In childhood children need to be safe but not isolated and both bullies and victims benefit from a grandmother's support and assistance In adolescence and emerging adulthood grandmothers need to build direct connections and not avoid the difficult topics of sex drugs death disease and money Throughout elders need to learn technology insuring that it fosters not impedes relationships Problems in relationships are explained honestly and with insight Among these are issues when three generations share a home when parents get divorced and when grandchildren rebel against parental authority Throughout the work both the joy and the complications of effective grandmothering are described Whether you're a biological grandmother a trusted step grandmother or just a warm and trusted older woman with young ones in your life you can be a vital force in the lives of future generations **Off Script** Josh King, 2016-04-26 Donald Trump won election as the 45th President of the United States by studying American political stagecraft and learning what helped previous candidates succeed and doomed others to failure A figure on the periphery of campaigns for decades he glided down the Trump Tower escalator on June 16 2015 declared his candidacy and took his place permanently as an actor in the country's greatest spectacle Twenty eight years earlier at the dawn of what Josh King calls The Age of Optics in OFF SCRIPT An Advance Man's Guide to White House Stagecraft Campaign Spectacle and Political Suicide Trump began to position himself for his eventual

run for the Oval Office Pictured at the foot of that same gilded escalator he posed at the foot of that same escalator for a cover story profile in TIME magazine This Man May Turn You Green With Envy Or Just Turn You Off read the first part of TIME s headline in January 1989 Flaunting It is the Game and TRUMP is the name the headline concluded The cover story came just after Massachusetts Governor Mike Dukakis lost in a landslide to Vice President George H W Bush in part because Dukakis made the disastrous decision to ride in an M1A1 Abrams tank in Sterling Heights Michigan less than two months before the election Why did Dukakis make that ride and why was it so deadly Indeed in each election that followed why did George Bush Bob Dole Al Gore John Kerry John McCain and Mitt Romney make similar mistakes that cost them dearly at the polls These are the questions that Josh King answers in OFF SCRIPT King who served as Director of Production in Bill Clinton s White House and later was host of SiriusXM Satellite Radio s long running Polioptics The Theater of Politics brings readers on a wild ride over the last thirty years of the Age of Optics from Ronald Reagan s mastery of image to Barack Obama s Vanilla Presidency to ultimately the faceoff between Hillary Clinton and Trump As one of the White House s most creative advance men skilled at employing the tools to tell help tell the president s daily story and creating the scenes that the media can t resist turning into news packages and front page photos King pulls back the curtain on the behind the scenes alchemy of political stagecraft King s personal account in depth interviews and detail rich stories and his unique angle on what drives headlines makes news and wins elections will serve as an indispensable companion to those keeping a close eye on the Trump presidency

Government reports annual index ,1978 *Flight Risk* Forrest L. Marion,2018-10-15 From the 1920s Afghanistan maintained a small air arm that depended heavily upon outside assistance Starting in 2005 the United States led an air advisory campaign to rebuild the Afghan Air Force AAF In 2007 a formal joint combined entity led by a U S Air Force brigadier general began air advisor work with Afghan airmen Between 2007 and 2011 these efforts made modest progress in terms of infrastructures personnel and aircraft accessions and various training courses But by 2010 advisors increasingly viewed AAF command and control C2 as a problem area that required significant improvement if a professional air force was to be built In the spring of 2011 major institutional changes to AAF C2 procedures were being introduced when nine U S air advisors were killed The attack was the worst single incident loss of U S Air Force personnel in a deployed location since 1996 and the worst insider attack since 2001 From the day of that tragic event the cultural chasm between Afghanistan and the West became more apparent This dilemma continues with no end in sight to an air advisory mission of uncertain long term value

Military Review ,2013 **Day of the Assassins** Michael Burleigh,2021-05-27 Written with Burleigh s characteristic brio with pithy summaries of historical moments he is

brilliant on the Americans in Vietnam for example and full of surprising vignettes The Times Book of the Week In Day of the Assassins acclaimed historian Michael Burleigh examines assassination as a special category of political violence and asks whether like a contagious disease it can be catching Focusing chiefly on the last century and a half Burleigh takes readers from Europe Russia Israel and the United States to the Congo India Iran Laos Rwanda South Africa and Vietnam And as we travel we revisit notable assassinations among them Leon Trotsky Hendrik Verwoerd Juv nal Habyarimana Indira Gandhi Yitzhak Rabin and Jamal Khashoggi Combining human drama questions of political morality and the sheer randomness of events Day of the Assassins is a riveting insight into the politics of violence Brilliant and timely Our world today is as dangerous and mixed up as it has ever been Luckily we have Michael Burleigh to help us make sense of it Mail on Sunday

Annual Report National Endowment for the Arts, 1995 Reports for 1980 19 also include the Annual report of the National Council on the Arts Predators Brian Glyn Williams, 2013-07-31 Predators is a riveting introduction to the murky world of Predator and Reaper drones the CIA s and U S military s most effective and controversial killing tools Brian Glyn Williams combines policy analysis with the human drama of the spies terrorists insurgents and innocent tribal peoples who have been killed in the covert operation the CIA s largest assassination campaign since the Vietnam War era being waged in Pakistan s tribal regions via remote control aircraft known as drones or unmanned aerial vehicles Having traveled extensively in the Pashtun tribal areas while working for the U S military and the CIA Williams explores in detail of the new technology of airborne assassinations From miniature Scorpion missiles designed to kill terrorists while avoiding civilian collateral damage to prathrais the cigarette lighter size homing beacons spies plant on their unsuspecting targets to direct drone missiles to them the author describes the drone arsenal in full Evaluating the ethics of targeted killings and drone technology Williams covers more than a hundred drone strikes analyzing the number of slain civilians versus the number of terrorists killed to address the claims of antidrone activists In examining the future of drone warfare he reveals that the U S military is already building more unmanned than manned aerial vehicles Predators helps us weigh the pros and cons of the drone program so that we can decide whether it is a vital strategic asset a frenemy or a little of both Weekly Compilation of Presidential Documents , 1972 *War Beyond the Battlefield* David Grondin, 2013-09-13 In an effort to make sense of war beyond the battlefield in studying the wars that were captured under the rubric of the War on Terror this special issue book seeks to explore the complex spatial relationships between war and the spaces that one is not used to thinking of as the battlefield It focuses on the conflicts that still animate the spaces and places where violence has been launched and that the war has not left untouched In focusing on war beyond the battlefield it is not that the battlefield as the place where war is waged has gone in smoke or has borne out of importance it is rather the case that the battlefield has been dis placed re designed re shaped and rethought through new spatializing practices of warfare These new spaces of war new in the sense that they are not traditionally thought of as spaces where war takes place or is brought to are television screens cellular

phones and bandwidth George W Bush's ranch in Crawford Texas videogames popular culture sites news media blogs and so on These spaces of war beyond the battlefield are crucial to understanding what goes on the battlefield in Iraq Afghanistan or in other fronts of the War on Terror such as the homeland to understand how terror has globally been waged beyond the battlefield This book was originally published as a special issue of Geopolitics

Pathways to Reform Alexandra W. Logue, 2017-09-08 A personal account of the implementation of a controversial credit transfer program at the nation's third largest university Change is notoriously difficult in any large organization Institutions of higher education are no exception From 2010 to 2013 Alexandra Logue then chief academic officer of The City University of New York led a controversial reform initiative known as Pathways The program aimed to facilitate the transfer of credits among the university's nineteen constituent colleges in order to improve graduation rates a long recognized problem for public universities such as CUNY Hotly debated Pathways met with vociferous resistance from many faculty members drew the attention of local and national media and resulted in lengthy legal action In Pathways to Reform Logue the figure at the center of the maelstrom blends vivid personal narrative with an objective perspective to tell how this hard fought plan was successfully implemented at the third largest university in the United States Logue vividly illustrates why change does or does not take place in higher education and the professional and personal tolls exacted Looking through the lens of the Pathways program and factoring in key players she analyzes how governance structures and conflicting interests along with other institutional factors impede change which Logue shows is all too rare slow and costly In this environment she argues it is shared governance combined with a strong central decision making authority that best facilitates necessary reform Logue presents a compelling investigation of not only transfer policy but also power dynamics and university leadership Shedding light on the inner workings of one of the most important public institutions in the nation Pathways to Reform provides the first full account of how despite opposition a complex higher education initiative was realized All net royalties received by the author from sales of this book will be donated to The City University of New York to support undergraduate student financial aid

TIME'S NOW for Women Healthcare Leaders Patricia A. Gabow, 2020-04-02 TIME'S NOW for Women Healthcare Leaders A Guide for the Journey Women comprise over 80 percent of healthcare frontline employees but they often hit the proverbial glass ceiling Only 30 percent of healthcare C suite Executives and less than 15% of CEOs are women Moreover while 51 percent of medical students are women only 16 percent of the Department Chairs and Deans are women Clearly women are facing barriers to achieving their potential limiting their ability to add their unique talents and skills to the tables of leadership The author provides extensive detail on these barriers and approaches to their solutions This is a practical how to book that will help women in healthcare envision their ability to contribute and inspire them to lead The author sees this as not only helping women but also facilitating solving healthcare's myriad problems improving health and benefitting society This book is a must read primer for women seeking leadership It is practical thought provoking and carefully researched addressing why

women's leadership is important and how women can be better leaders Gabow's approach capitalizes on interviews with strong women leaders She uses the notions she learned from the interviews coupled with research from the literature to create an easy to read motivating and challenging book for women and men Nancy Agee President and CEO Carilion Clinic Past Chair American Hospital Association TIME'S NOW for Women Healthcare Leaders is filled with powerful examples of how women have overcome multiple obstacles and prevailed on their leadership journeys It is a MUST read for women and men about the obstacles to be overcome potholes to avoid and the shout outs to be given to women who every minute every hour every day are committed to human caring It has captured the heart and spirits of women from diverse backgrounds who have and continue to demonstrate their commitment to making society a better place for all Linda Burnes Bolton DrPH RN FAAN Senior Vice President and System Chief Equity Officer Cedars Sinai Health System This highly engaging book addresses the relative dearth of women leaders in healthcare through thoughtful assessment of how leaders values and actions can improve healthcare within healthcare organizations and systems Dr Gabow an exceptional leader whose relentless passion for excellence for patients served by Denver Health earned her national renown combines insightful observations from her own path with current statistics about women in medicine experiences of other successful women leaders and mentoring skills to offer wise counsel to all current and future leaders The thoughtful distillation of practical wisdom offered here make this book a unique contribution and highly relevant to healthcare in America today Carolyn Clancy M D Past Director Agency for Healthcare Research and Quality This insightful book is full of personal stories honest reflections and data driven guidance from and about women leaders It serves as a wonderful resource for those motivated to advance diverse and inclusive organizations Karen DeSalvo M D MPH Chief Health Officer Google Health Past Acting Assistant Secretary for Health US HHS National Coordinator for Health Information Technology US HHS *The Secret Sentry* Matthew M.
