The Danger and Power of Hidden Curses

Rev. James Solomon,2024-07-17 My people are destroyed for lack of knowledge Hosea 4 6 A lot of times there are certain predicaments or situations that occur in one s life that cannot be explained What makes the situation worse is that this issue is not peculiar to that one person it has been ongoing from one generation to another Many times believers find themselves caught in a cycle of unexplainable predicaments and tend to take it for granted believing that it is normal And because they are not knowledgeable about the subject of curses these predicaments go on making life a living hell for them This book is an in depth study on the subject of curses with emphasis on hidden curses With a lot of spiritual and prophetic insights as well as scriptural and practical references this book reveals what curses are the different types of curses how curses operate in one s life and how a person can overcome and be totally delivered from any existing curse in his her life There are also prayers and scriptural declarations to reverse and cancel all curses Dear brethren if you have noticed any reoccurring pattern that leads to all kinds of vices in your life then you must read this book and the Almighty God will grant you complete victory and deliverance in Jesus s name 50
