The Catch A Novel Vanessa Michael Munroe Series 4:

The Vessel Taylor Stevens, 2014-06-10 Some people were easy to find Others took hunting and patience The most difficult was a target who knew she was coming and he knew How could he not When you backed a predator into a corner when you took and destroyed all that she loved when you made a game of ruining lives and sadism for you was sport but then you failed to kill the predator you d better know she was coming back This was an inviolable law She wasn t dead and so she was coming for him She had his face had the name of a city In the right hands anything could be mined into so much more She would find him Kill him Simple as that

The Catch Taylor Stevens, 2015-06-09 Stevens excels at depicting pulse pounding danger Her writing places her heads above most authors working in the thriller genre Only Dan Brown and Lee Child come close Dallas Morning News Vanessa Michael Munroe chameleon and information hunter has a reputation for getting things done often dangerous and not quite legal things With blood on her hands and a soul stained with guilt Munroe has fled to Djibouti Africa There with no responsibility except a gig at a small maritime security company Munroe finds stillness until she s pressured to work as an armed guard on a ship bound for Kenya On board Munroe discovers the contract is merely cover for gunrunning when the ship is invaded off the Somali coast she fights her way out dragging the unconscious captain with her But nothing about the hijacking is what it seems The pirates had come for the captain and continuing their pursuit they unwittingly raise the killer s instinct Munroe has tried so hard to bury Wounded and on the run Vanessa Michael Munroe will use the life of her catch as bait and bartering chip to manipulate every player and wash her conscience clean

The Innocent Taylor Stevens, 2011-12-27 Vanessa Michael Munroe the fearless heroine of the New York Times bestseller *The Informationist* returns in a gripping new thriller Eight years ago five year old Hannah was spirited out of school and into the closed world of a cult known as The Chosen Ever since followers of its leader have hidden the child and shielded her abductor Now childhood survivors of The Chosen who have escaped to make a life for themselves on the outside know here to find Hannah and turn to Vanessa Michael Munroe for help Munroe reluctantly takes the job and travels to Buenos Aires to infiltrate the cult and save the girl Inducted in to a world unlike anything she has faced before Munroe must navigate unpredictable members and their dangerous cohorts the impatient survivors who hired her and the struggle against her own increasingly violent nature so she can rescue the child before the window of opportunity closes and Hannah is lost forever

Now with an excerpt from the latest Vanessa Michael Munroe novel *The Catch* **The Mask** Taylor Stevens, 2015-06-30 Munroe is a sensational character and Stevens is a sensational writer Lee Child New York Times bestselling author of the Jack Reacher series For fans of Lee Child Terry Hayes and Laura Lippman comes a blistering thriller in which Vanessa Michael Munroe faces the fight of her life Vanessa Michael Munroe chameleon and information hunter has a reputation for getting things done dangerous and not quite legal things that have taken her undercover into some of the world s deadliest places Still healing from a Somali hijacking gone wrong and a brutal attack that left her near death Munroe joins her lover

Miles Bradford in Japan where he's working as a security consultant protecting high value technology from industrial espionage. In the domesticity of their routine she finds long sought after peace until Bradford is arrested for murder and the same interests who targeted him come after her too. Searching for answers and fighting to stay alive, Munroe will soon discover how far she'll go to save Bradford from spending the next twenty years in locked up isolation, how many laws she'll break when the truth seems worse than his lies and who to trust and who she must kill. Because she's a strategist and hunter with a predator's instincts and the man she loves has just stabbed her in the back. With break neck pacing incendiary prose and an unforgettable cast of characters, *The Mask* features Vanessa Michael Munroe, a brilliant lethal heroine who will stop at nothing to find the truth no matter what it may cost. Stevens excels at depicting pulse pounding danger and her prose and plotting are spectacular. Only Dan Brown and Lee Child come close. *Dallas Morning News*. Munroe is a protagonist as deadly as she is irresistible. *Vince Flynn*. If you are a fan of Jack Reacher, Lisbeth Salander or Nina Zero you need to check out Vanessa Michael Munroe. *BookPage*. A winning series character who has the world at her beck and call. *Los Angeles Times*. Munroe's brooding personality and her ability to blend into her surroundings bring to mind the provocative Jason Bourne. *USA Today*. **Quill & Quire**, 1997.
