The Cavalier Of The Apocalypse Aristide Ravel Mysteries 1:

The Cavalier of the Apocalypse Susanne Alleyn,2015 Historical mystery In the icy winter of 1786 in the final years before the French Revolution hunger cold and seething frustration with the iron grip of France's absolute monarchy drive poor and rich alike to outright defiance Slums fashionable caf's and even aristocratic mansions echo with discontent and the first warning signals of the approaching turmoil of 1789 Paris's cemeteries are foul and disease ridden but no one including penniless writer Aristide Ravel expects to find a man with his throat cut lying dead in a churchyard surrounded by strange Masonic symbols Already suspected of subversive activities Ravel must now clear his name of murder His search for answers amid the city's literary and intellectual demimonde with the aid of friends who may not be all that they seem leads him into a tangle of conspiracy secret societies royal scandal and imminent revolution which grows only more complex when the corpse disappears Reading The Cavalier of the Apocalypse is like being in France just before the Revolution Ms Alleyn has managed to capture the spirit of the time in the angry squalor of the poor against the backdrop of titled privilege But the story is not a social commentary it never stops being a splendid mystery packed with historical detail red herrings surprising twists and even a little romance If this is your first Aristide Ravel mystery you will want to dive into the sequels as soon as you can promise The Historical Novels Review After two mysteries set in the aftermath of the French Revolution Alleyn recounts how her series sleuth Aristide Ravel became a detective in this superb prequel set in 1786 Alleyn expertly captures the politics and atmosphere of the period seamlessly integrating them into a traditional whodunit plot Publishers Weekly starred review
