Relief Valve JL Mellow, 2018-02-05 If you dig up the past be prepared for some dirt to stick The relationship between Tom Paretski a cheeky plumber with a gift for finding hidden things and PI Phil Morrison may only be a few weeks old but already it s under attack Tom s friends and family are convinced the former bully isn t good enough for him and they re not shy about saying so Then Tom s prickly older sister Cherry is poisoned at her own engagement party Tom s left reeling and not knowing who to suspect Could it be her new fiancE Gregory a cathedral canon with an unfortunate manner and a taste for taxidermy Or someone from her old writers circle which she left after a row Or could the attack be connected to her work as a barrister Meanwhile Tom s honorary auntie s left him a gag gift from beyond the grave that could be more significant than anyone knows Phil s fighting against the clock to solve the case before somebody ends up dead And with the poisoner hiding a dark secret Phil s terrified Tom could have been the target all along Publisher s note This is lightly edited reprint of a previously published novel

Heat Trap JL Mellow, 2018-03-05 Customer service has never been this personal Robin Christopher beleaguered retail worker isn t having an easy November His boss is raising stress levels

planning a Black Friday to end all Black Fridays his family doesn't understand him and his best friend thinks his new crush is a hallucination brought on by watching too many episodes of Doctor Who Archie Levine dresses in Victorian style and divides his time between caring for his young son and creating weird and wacky steampunk gadgets from bits of old junk when he's not looking after his mum and trying to keep on good terms with his ex The last thing he's got time for is a relationship but the flustered young man he met while disembowelling a fridge is proving very tempting When his mum's social conscience is roused by a local store with a cavalier attitude to the homeless former rough sleeper Archie shares her anger Little does he know that Robin works for that same store When Archie finds out he's sleeping with the enemy things could cut up very rough indeed See this title's page on RiptidePublishing.com for content warnings [The Job Pirate](#) Brandon Christopher, 2015-02-19 From the porn magazine to the moving truck to the dark sewers of California Brandon Christopher's journey in the American job market is not only absurd but also full of wit and profound observations He steps out from behind the driver's wheel the cash register and the office desk to record the lighter and darker sides of humanity in the workplace Christopher's tale makes even the most mundane job seem fascinating and the most exciting career appear hum drum and hollow The Job Pirate strips off the facade of the average employee to see what is hidden underneath That new employee that you see hanging his vintage blazer onto the backrest of his swivel chair is me My cubicle is right next to yours I don't say much I dine alone I drink a lot of coffee and I know my legal right to two cigarettes in an 8 hour workday And yes you were right I'm not really the Marketing Strategist that I told the boss I was But I'm sitting here in this cubicle and the resume that got me this job is in my attach case right beside me It clearly states that I have more than enough experience to run this company's entire advertising department and I'll be here between three weeks and a year so you better get used to the idea Often hilarious and sometimes profound Christopher's stories take us through the offices department stores and kiosks of the West Coast We ride along with him as he chauffeurs the famous the dead and sometimes just their furniture Christopher gives us an irreverent inside glimpse into the work life of the people we see everyday Even though at times he exhibits moral ambiguity we find ourselves rooting for him against all the odds because we can see our own struggles in his attempts to acclimate We can all relate to this story of selling our soul to the company store and then buying it back for pennies on the dollar just to have that one more day of freedom [Bulletin of Photography](#), 1916 **Job 1-20, Volume 17** David J. The Corpse's Secret Stacy Claflin, 2022-12-02 Another corpse another day If Vanessa and Chris had known how common death was in and around their hotel they never would have moved in with their kids The latest body is proving the most problematic because it disappeared seemingly on its own But that's impossible Isn't it The only way it could have crawled away is if he's still alive And that would mean a murderer is on the loose Again Not only that but the kids have secrets of their own The things they're hiding could jeopardize them all especially if the killer is still alive and roaming their halls Vanessa fears her husband is unravelling fast and she knows she needs to protect her family before they lose everything But she doesn't know if she has the strength

Call it North Country John Bartlow Martin, 1986 From Back Cover This is a newspaperman's history of the Upper Peninsula Intrigued by the place name Michigamme Martin and his wife stopped there on their wedding trip in 1940 and became enchanted with the Upper Peninsula Out of that attraction came more visits a string of interviews and a series of tales told by miners loggers hunters and trappers Originally published in 1944 it is a collection of nineteen lively stories told in convenient chunks for quick reading Detroit Free Press The passage of time provides a better test of the quality of a book than litmus paper does of the acidity of a solution This book was originally written in 1944 by one of our most powerful documentary authors Call it North Country reads like a novel If you're a history buff it reads better than a novel This book could not be written today The witnesses to the development of upper Michigan would be missing and twice or thrice told tales would lose much detail and would not have the ring of truth which authenticates history Inland Seas
