faith that goes on believing even as it questions what it believes The goal of this book is not to destroy anyone's faith but to build it up by placing it on a firmer foundation of critical examination Ten popular Christian clichés are subjected to critical inquiry and interrogated to discover whether they contain truth or are in error In most cases the conclusion is both The aim is not to tear down straw men but to demonstrate a path toward stronger more mature Christian belief *101 Questions and Answers on the Bible* Raymond E. The Answers James Smith, 2019-07-15 *The Answers All of Them and No B S* sounds like a pretty pompous statement but when you consider it this book proves that the Bible is the only perfect written composition consisting of sixty six books written by many different men inspired by God over a period of thousands of years That proves God is real using mathematics and fulfilled prophecy that He is the One Who created heaven and earth and that there is no such thing as the big bang which science keeps on trying to sell to everybody it may be something of an understatement Not many books offer true life changing information as does this one Open your mind and heart and allow the Lord God Almighty to reveal Himself to you Become a new person by the power of the blood of Jesus Go ahead Open the book Read it You'll be glad you did

Biblical Counsel, 1993 *Gospel Portraits* K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel *Gospel Portraits* addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's

new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel
