The Black Garden:

St. Brendan's Well and The Black Garden Shawn A Lohan, 2022-09-30 There are events in your life that one feels are so important that if you were here only for those moments it would be enough that your participation in or even your creation of those events in your heart has made a difference for those you love and support and even better for total strangers that you made their world a better place then yes it is all worth it What brought him to this point This story both factual and fictional attempts to convey a journey steered by random chance love and loss It is a remembrance to the many important people who played crucial parts in the lives of the author and his father It is an epiphany in spirituality in the hardships of experience and the decisions made to move forward and in the spirit that burns within the hearts of those who wish to make life a better experience for those who follow Finally to remember and acknowledge those forgotten and lost in time and hidden forever
