Berry, 2018-06-01 A young boy takes a trip on his own to visit his grandparents in Kentucky in this luminous entry in the acclaimed Port William series In this eloquent distillation of Berry's favorite themes the importance of family community and respect for the land Kirkus Reviews nine year old Andy Catlett embarks on a solo trip by bus to visit his grandparents in Port William Kentucky during the Christmas of 1943 Full of nostalgic admiring detail Publishers Weekly Andy observes the modern world crowding out the old ways and the people he encounters become touchstones for his understanding of a precious and imperiled world This beautiful short memoir like novel is a perfect introduction to Wendell Berry's rich and ever evolving saga of the Port William Membership filled with images as though describing a painting by Edward Hopper The New York Times

Extraterritorialities in Occupied Worlds Extraterritory Project, 2016 The concept of extraterritoriality designates certain relationships between space law and representation This collection of essays explores contemporary manifestations of extraterritoriality and the diverse ways in which the concept has been put to use in various disciplines Some of the essays were written especially for this volume others are brought here together for the first time The inquiry into extraterritoriality found in these essays is not confined to the established boundaries of political conceptual and representational territories or fields of knowledge rather it is an invitation to navigate the margins of the legal juridical and the political but also the edges of forms of representation and poetics Within its accepted legal and political contexts the concept of extraterritoriality has traditionally been applied to people and to spaces In the first case extraterritorial arrangements could either exclude or exempt an individual or a group of people from the territorial jurisdiction in which they were physically located in the second such arrangements could exempt or exclude a space from the territorial jurisdiction by which it was surrounded The special status accorded to people and spaces had political economic and juridical implications ranging from immunity and various privileges to extreme disadvantages In both cases a person or a space physically included within a certain territory was removed from the usual system of laws and subjected to another In other words the extraterritorial person or space was held at what could be described as a legal distance In this respect the concept of extraterritoriality presupposes the existence of several competing or overlapping legal systems It is this notion of being held at a legal distance around which the concept of extraterritoriality may be understood as revolving

Missing or Murdered Robin Forsythe, 2015-12-28 There was no mistaking the sound it was that of a stealthy footfall and it appeared to come from the staircase leading to the next floor Lord Bygrave left the Ministry on Friday evening with plans for a fortnight's holiday in the country But the following morning he had seemingly vanished into thin air Now Scotland Yard are struggling to find evidence of foul play in the absence of tangible clues A national newspaper is offering a reward for information about the Minister's disappearance whether Bygrave be dead or alive Anthony Algernon Vereker Lord Bygrave's friend and executor joins Scotland Yard in their investigation of the mystery So begins the first of five ingenious and effervescent detective novels featuring Vereker an amiable and eccentric artist with a razor sharp mind Missing or Murdered 1929 is republished here for

the first time in over 70 years It includes a new introduction by crime fiction historian Curtis Evans This is not only a detective story of considerable ingenuity but it is also a well written tale with good characterisation Times Literary Supplement The Story of an Old House ; [and] The Strategy of Grandma Terrence Aurelia Rice,1921 *The Sensorium of the Drone and Communities* Kathrin Maurer,2023-10-03 A comprehensive overview of how civilian drones sense the world and how they build the aesthetic imaginaries of our communities Drone technology has garnered critical attention across many fields from engineering to the humanities While the first wave of drone scholarship was key in initiating the debate on drones it also privileged the idea of the scopic regime a militarized regime of hypervisuality in its analyses of the connection between vision and power *The Sensorium of the Drone and Communities* broadens the drone s spectrum of perception by acknowledging its creative life affirming possibility with the notion of the sensorium The sensorium of the drone is a multimedia synesthetic sensing assemblage in which the human agent is enmeshed with the drone Drone sensoria can sense in many more ways than the scopic regime with sound touch smell temperature and movement In *The Sensorium of the Drone and Communities* Kathrin Maurer shows how drone sensoria can change our understanding of human communities by constructing imaginaries of social communities based on decentralized and fluid sensing processes Maurer takes an aesthetic approach to technology working with two understandings of aesthetics One understanding refers to aesthetics as a way of experiencing and it explores how the drone human assemblage perceives the world The other refers to aesthetic mimetic representation and focuses on how aesthetic drone imaginaries in literature popular culture visual arts and films negotiate the sensorial technology of the drone Bringing together key ideas in technology studies studies of aerial views visual and aesthetic studies posthuman sensing machine human interaction and communities *The Sensorium of the Drone and Communities* sheds a welcome and necessary light on this technology s creative potential as well as its dangers and risks

Moohummudan Law of Inheritance and Rights and Relations Affecting it Almaric Rumsey,1880 Cuba and the Fall Eduardo González,2010-08-05 The literature of Cuba argues Eduardo González in this new book takes on quite different features depending on whether one is looking at it from the inside or from the outside a view that in turn is shaped by official political culture and the authors it sanctions or by those authors and artists who exist outside state policies and cultural politics González approaches this issue by way of two twentieth century writers who are central to the canon of gay homoerotic expression and sensibility in Cuban culture Jos Lezama Lima 1910 1976 and Reinaldo Arenas 1943 1990 Drawing on the plots and characters in their works González develops both a story line and a moral tale revolving around the Christian belief in the fall from grace and the possibility of redemption that bring the writers into a unique and revealing interaction with one another The work of Lezama Lima and Arenas is compared with that of fellow Cuban author Virgilio Pi era 1912 1979 and in a wider context with the non Cuban writers John Milton Nathaniel Hawthorne William Faulkner John Ruskin and James Joyce to show how their themes get replicated in González s selected Cuban fiction Also woven into this interaction are

two contemporary films *The Devil's Backbone* 2004 and *Pan's Labyrinth* 2007 whose moral and political themes enhance the ethical values and conflicts of the literary texts Referring to this eclectic gathering of texts Gonz lez charts a cultural course in which Cuba moves beyond the Caribbean and into a latitude uncharted by common words beyond the tyranny of place
