Mark Hyman, 2020-06-30 Bill Clinton's abrupt departure from long standing precedent was an astonishing abuse of the Justice Department processes and underscored the shady wheeling and dealing that was common in the Clinton orbit Bill Hillary and brothers Roger Clinton Hugh Rodham and Tony Rodham all profited financially or politically from hustling dozens of pardons to some of history s most undeserving recipients These ranged from worldwide pariah Marc Rich to a cocaine trafficking kingpin to murderous terrorists who hadn t even requested executive clemency A third of the final day pardons bypassed Justice Department review and went straight to Bill for approval Dozens of recipients hadn t even filed a petition In the final hours of Bill Clinton's last day in office the pardon attorney was frantically preparing paperwork for recipients whose names were misspelled or whose addresses were unknown It was a free for all The brothers were paid hundreds of thousands of dollars to privately lobby Bill for pardons some of which never materialized But the brothers were still paid Hillary collected political and financial IOUs she later cashed in when she sought political office For most of his presidency Bill was one of the stingiest presidents of all time when it came to the awarding official forgiveness to felons but the pardon floodgates opened when Hillary began her run for the US Senate It was the selling of pardons for money and influence that launched the Clintons nearly two decade pay for play scheme a scheme that not only amassed billions of dollars for the Clinton Foundation and hundreds of millions of dollars for the Clintons but also catapulted Hillary into a presidential front runner Pardongate reveals details of the Clinton machine that will leave even the most informed citizens appalled Secrets in Literature-in-English: What JAMB, WAEC and NECO Want from Candidates Mazi Basil Nwokorie, Exam Secrets in Literature in English What JAMB WAEC NECO and NABTEB Want from candidates is specifically crafted for students and candidates who are preparing to take the examinations in Literature in English as administered by esteemed bodies such as Joint Admission And Matriculation Board JAMB West African Examination Council WAEC National Examination Council NECO and other similar institutions across Nigeria and Anglophonic West Africa With clear guidance and focused insights it equips candidates with the knowledge and strategies needed to succeed in these examinations confidently Models - Theory and Practice Damiano Brigo, Fabio Mercurio, 2007-09-26 The 2nd edition of this successful book has several new features The calibration discussion of the basic LIBOR market model has been enriched considerably with an analysis of the impact of the swaptions interpolation technique and of the exogenous instantaneous correlation on the calibration outputs A discussion of historical estimation of the instantaneous correlation matrix and of rank reduction has been added and a LIBOR model consistent swaption volatility interpolation technique has been introduced The old sections devoted to the smile issue in the LIBOR market model have been enlarged into several new chapters New sections on local volatility dynamics and on stochastic volatility models have been added with a thorough treatment of the recently developed uncertain volatility approach Examples of calibrations to real market data are now considered. The fast growing interest for hybrid products has led to new chapters A special focus here is devoted to the pricing of inflation linked derivatives The three final

new chapters of this second edition are devoted to credit Since Credit Derivatives are increasingly fundamental and since in the reduced form modeling framework much of the technique involved is analogous to interest rate modeling Credit Derivatives mostly Credit Default Swaps CDS CDS Options and Constant Maturity CDS are discussed building on the basic short rate models and market models introduced earlier for the default free market Counterparty risk in interest rate payoff valuation is also considered motivated by the recent Basel II framework developments Web Search Amanda Spink, Michael Zimmer, 2008-09-16 The inspiration for this book emerged from the editors participation in a panel d cussion on Web search engines at an annual meeting of the Association of Internet Researchers This multidisciplinary panel of Web search researches revealed the diversity of scholars interested in Web searching coupled with a broad range of questions attitudes and approaches It became clear that more cross fertilization was necessary between the disciplines to ensure Web search engines the entities and Web searching the user behavior received the thorough scholarly attention they deserved This book is a result of that realization and an important first step in achieving new levels of awareness and collaboration across disciplines The book represents a core theme within the intellectual pursuits of the editors The first editor Spink is an information scientist who has worked with taught and has researched the informational dimensions of Web searching since 1997 The second editor Zimmer is a scholar of culture and communication who focuses on the political and ethical dimensions of new media and information technologies and whose dissertation research focused on the value related consequences of the quest for the perfect search engine Generation Share Matofska, Benita, Sheinwald, Sophie, 2019-06-17 Generation Share takes readers on a journey around the globe to meet the people who are changing and saving lives by building a Sharing Economy Through stunning photography social commentary and interviews with 200 change makers Generation Share showcases extraordinary stories demonstrating the power of Sharing From the woman transforming the lives of slum girls in India to the UK entrepreneur who has started a food sharing revolution you ll discover the creators of a life saving human milk bank a trust cafe and a fashion library who are changing the world A collaboration between speaker social innovator and global Sharing Economy expert Benita Matofska and photographer Sophie Sheinwald Generation Share brings to life the phenomenon causing the most significant shift in society since the Industrial Revolution

The Routledge Companion to Literary Urban Studies Lieven Ameel, 2022-08-10 Over the past decades the growing interest in the study of literature of the city has led to the development of literary urban studies as a discipline in its own right The Routledge Companion to Literary Urban Studies provides a methodical overview of the fundamentals of this developing discipline and a detailed outline of new directions in the field It consists of 33 newly commissioned chapters that provide an outline of contemporary literary urban studies The Companion covers all of the main theoretical approaches as well as key literary genres with case studies covering a range of different geographical cultural and historical settings The final chapters provide a window into new debates in the field The three focal issues are key concepts and genres of literary

urban studies a reassessment and critique of classical urban studies theories and the canon of literary capitals and methods for the analysis of cities in literature The Routledge Companion to Literary Urban Studies provides the reader with practical insights into the methods and approaches that can be applied to the city in literature and serves as an important reference work for upper level students and researchers working on city literature Chapter 15 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license available at http www taylorfrancis com
