Histories of Tourism John K. Walton, 2005-01-01 This collection of essays presents develops the historical dimension to tourism studies through thematic case studies The editor s introduction argues for the importance of a closer relationship between history and tourism studies and an international team of contributors explores the relationships between tourism representations environments and identities in settings ranging from the global to the local from the Roman Empire to the twentieth century and from Frinton to the Far East

Beowulf and Other Stories Joe Allard, Richard North, 2014-04-23 *Beowulf Other Stories* was first conceived in the belief that the study of Old English and its close cousins Old Icelandic and Anglo Norman can be a genuine delight covering a period as replete with wonder creativity and magic as any other in literature Now in a fully revised second edition the collection of essays written by leading academics in the field is set to build upon its established reputation as the standard introduction to the literatures of the time *Beowulf Other Stories* captures the fire and bloodlust of the great epic *Beowulf* and the sophistication and eroticism of the Exeter Riddles Fresh interpretations give new life to the spiritual ecstasy of *The Seafarer* and to the imaginative dexterity of *The Dream of the Rood* and provide the student and general reader with all they might need to explore and enjoy this complex but rewarding field The book sheds light too on the shadowy contexts of the period with suggestive and highly readable essays on matters ranging from the dynamism of the Viking Age to Anglo Saxon input into *The Lord of the Rings* from the great religious prose works to the transition from Old to Middle English It also branches out into related traditions with expert introductions to the Icelandic Sagas Viking Religion and Norse Mythology Peter S Baker provides an outstanding guide to taking your first steps in the Old English language while David Crystal provides a crisp linguistic overview of the entire period With a new chapter by Mike Bintley on Anglo Saxon archaeology and a revised chapter by Stewart Brookes on the prose writers of the English Benedictine Reform this updated second edition will be essential reading for students of the period

Gabriel Yared's *The English Patient* Heather Laing, 2007-02-09 Anthony Minghella s 1996 film *The English Patient* won nine Academy Awards_ including one for Best Original Score Though Gabriel Yared had previously composed scores for several films including *Betty Blue* *Camille Claudel* and *Vincent Theo* his work on *The English Patient* launched him into international public consciousness His score for this film testifies to the continued appeal of a classical noncommercial style of scoring eschewing the use of contemporary pop music for a more timeless sound In Gabriel Yared s *The English Patient* A Film Score Guide author Heather Laing offers the most in depth examination to date of the work of the composer Laing examines Yared s approach to film scoring his compositional techniques and the impact of his partnership with Minghella before and after *The English Patient*_ through an exploration of such films as *The Moon in the Gutter* *Betty Blue* *Tatie Danielle* *IP5* *The Lover* *City of*

Angels and The Talented Mr Ripley The integral role of music in The English Patient is contextualized within a detailed analysis of the film s narrative construction themes and motifs The soundtrack is examined as a whole and the specific soundworlds of each character location and relationship are drawn out as the basis for the overall style and construction of the score Musical themes are viewed in both musical and narrative terms and musical connections between the themes are identified A close analysis of the placement and development of musical themes throughout the film reveals the complex musical journey that forms a unique and integral element of the characters

International Explorations of Contemplative Leadership in Catholic Education Merylann "Mimi" J. Schuttloffel, 2019-04-17

This book highlights the model of contemplative Catholic school leadership as an influence on faith formation cultures within the Catholic school and it demonstrates the impact of cultural factors on Catholic identity formation. By integrating reflection and Catholic values with a leader's decision making process, the model described in this volume seeks coherence between the leader's faith beliefs and their behaviors. Including five unique international case studies, this research emphasizes the character of the school leader, including faith identity as the principal architect of the school's culture.
