The Begonia Bribe A Garden Society Mystery:

The Begonia Bribe Alyse Carlson, 2013-05-07 Roanoke Virginia is home to some of the country's most exquisite gardens and it's Camellia Harris's job to promote them. But when a pint-sized beauty contest comes to town, someone decides to deliver a final judgment. A beauty pageant for little girls, the Little Miss Begonia Pageant, has decided to hold their event in a Roanoke park. Camellia is called in to help deal with the botanical details, the cute contestants, and their catty mothers. She soon realizes that the drama onstage is nothing compared to the judges' row. There's jealousy, betrayal, and a love triangle involving local newsman and known lothario Telly Stevens. And a mysterious saboteur is trying to stop the pageant from happening at all. But the drama turns deadly when Stevens is found dead, poisoned by some sort of plant. With a full flowerbed of potential suspects, Cam needs to dig through the evidence to uproot a killer with a deadly green thumb. But when a political fundraiser turns deadly, everyone's a candidate for murder. Cam and her best friend Annie are planning a gala for a local Senate candidate, a murder mystery-themed silent auction where the guests bid on who will be the night's victim. Coordinating a beautiful display of fall flowers and planning the perfect fake crime is hard enough, but with a guest list that is a who's who of the Roanoke elite, Cam has her hands full navigating the egos and grudges of her high society guests. When local financial tycoon Derrick Windermere is found dead next to a shattered pot of chrysanthemums, the night's fun and games quickly turn serious. Half the guests had good reason to want Windermere dead, but only one is suspiciously missing in action: Annie's father. Now Cam will not only have to figure out which partygoer is a killer, but find her friend's father before all their reputations end up dragged through the mud.
