Jesus in the Victorian Novel Jessica Ann Hughes, 2022-01-27 This book tells the story of how nineteenth century writers turned to the realist novel in order to reimagine Jesus during a century where traditional religious faith appeared increasingly untenable Re workings of the canonical Gospels and other projects to demythologize the story of Jesus are frequently treated as projects aiming to secularize and even discredit traditional Christian faith The novels of Charles Kingsley George Eliot Eliza Lynn Linton and Mary Augusta Ward however demonstrate that the work of bringing the Christian tradition of prophet priest and king into conversation with a rapidly changing world can at times be a form of authentic faith even a faith that remains rooted in the Bible and historic Christianity while simultaneously creating a space that allows traditional understandings of Jesus identity to evolve

The Leatherwood God (Historical Novel) William

Dean Howells, 2016-01-02 This carefully crafted ebook *The Leatherwood God* Historical Novel is formatted for your eReader with a functional and detailed table of contents *Leatherwood God* or Joseph C Dylkes was a messianic figure in the early settlement of the Ohio Country in the United States The legend of this man from Leatherwood Creek who convinced the people of Ohio that he is a living god served as an inspiration to William Dean Howells for one of his last novels which is quite different from the majority of his works In the calm city of Salesville Ohio on a warm August day shows up a certain man named Joseph Dylkes claiming that he is the Lord God Himself causing an uproar in the community He proposes to perform a miracle to prove his case but he doesn't show up and he's being called a fraud by angry non-believers but keeps a number of believers at his side After series of situations he disappears without a trace leaving the people of Salesville torn William Dean Howells 1837-1920 was an American realist author literary critic and playwright He was the first American author to bring a realist aesthetic to the literature of the United States His stories of Boston upper crust life set in the 1850s are highly regarded among scholars of American fiction Words of Wisdom Dr. Vinod Kumar Mahawar, 2024-11-21 This book for Three Four Semester Undergraduate Programme for University of Rajasthan Jaipur and other State University of Rajasthan Syllabus as Per NEP 2020 In this book also includes poems stories essays and novels with about writers glossary and questions Re-Reading Tragic Africa Amy Rushton, 2024-05-31 Grounded in world systemic analysis this book revisits the literary and social implications of tragedy in relation to global narratives about Africa and within fiction by writers from the continent It argues that working through the full complexity of tragedy helps to identify and challenge plots that depict Africa as reaching a tragic impasse Instead reconsidering tragedy allows for further related interventions including the implications of narratives of development the argument for formally engaging with literary texts that present challenging material reformulations of African political and cultural agency and the possibilities to be found in utopian thinking It claims that contemporary fiction helps to scrutinise the familiar big picture of Africa and create space for discussions about wider political and historical commonalities between the continent and the rest of the world As such the novels discussed in this study are not simply about Africa these fictional narratives position Africa as a central actor within the global history of late capitalism *The Novels and Other Works of Lyof N. Tolstoi* graf Leo Tolstoy, 1911 *Coming of Age in the Afro-Latin American Novel* Bonnie S. Wasserman, 2022 This book is the first study of recent coming of age novels from Brazil and the Spanish speaking Caribbean I investigate the divide in Afro Latin American research that usually favors either Hispanic America or Brazil but not both I argue that contemporary novelists have adapted the coming of age novel to explore central themes in the Afro Latin American experience such as Blackness African religions and folkloric traditions and immigration While there is no firm consensus on the term Blackness scholars typically use the term to describe the social cultural and historical experience of Afro descendants in the diaspora The Afro Latin American bildungsromans examined in this study include a number of religions such as Catholicism Spiritism and syncretic folk religions as well as Santería and Umbanda

reflecting the variety of beliefs in Latin America I have found that young people turn to religions and spiritual traditions in time of need Going on a journey as part of one's personal development is one of the central themes of many bildungsroman and this pertains too in Afro Latin American novels Caribbean characters are depicted as immigrating to the United States whereas few Brazilians have enough resources to travel to North America and instead move to larger cities within their own country
