Moore, 2025-05-14 Welcome to Cherry Hill Attendance is mandatory The Cherry Hill Sanitarium isn t a friendly place The inmates are among the most mentally deranged and dangerous minds known to the world It s the sort of place that sane people would do well to avoid if they value their lives John Doe is not a normal man He can t remember his name nor much of his past He s almost certain he s been dead for a while and that the asylum that has become his residence is haunted by more

than broken minds and twisted memories John isn t wrong Something dark is growing inside the walls of the asylum something that festers and hungers to be free of its prison That something has never lived before but it wants to live now even if it has to destroy everything it encounters to get its way John Doe might just be the only person in the world who can stop the madness that is trying to be born into the walls of Cherry Hill He might be the only chance for the staff and the patients alike The problem isn t simply that he can t remember how to help them It s worse than that John Doe is almost certain that if he does remember his past the knowledge could very well drive him mad The Pack James A. Moore, 2025-02-26 The town of Serenity Falls has a history of the unspeakable One man unearthed it He paid the price So will all who fail to heed the warning Something is coming to Serenity Falls something that has already touched the town with its demonic power A young girl is horribly tortured a boy becomes a conduit to hell the dogs of the town turn feral One man a stranger to the town but not to the powers of darkness has been enlisted to stop the encroaching evil And soon he will discover that the true horror lies not with those who walk the earth but with those who lie beneath it in the damp dark graves of the restless dead Under the Overtree James A. Moore, 2025-06-07 There is no peace in death Some people know that better than others In Carson's Point Colorado the dead

do not rest but rise every night and try to kill whatever crosses their path Those dead are merely the symptom of something far worse something ancient and evil that does not care for the Europeans taking the lands or for those who lived there before The living do not matter the dead are tools the possible spawn of the pale white thing lurking in the woods are all that is important to that dreadful force It will kill anything that gets in its path and make living and the deceased suffer for their transgressions Carson's Point is on a course that leads straight to Hell unless something comes along that can fight back against the unnatural servants of the thing that wants the boomtown destroyed The wizard Albert Miles is in town for reasons all his own escaping the latest terrors he s spread across the land He might well be able to save the town but if he does hell exact a terrible price The new sheriff has his work cut out for him There are savages waiting outside the town dead things crawling from the grave bad men set on taking what they want and fools aplenty trying to survive the disasters coming their way until they can once again go hunting for the dreams they hope will change their lives Jonathan Crowley could very well be the salvation that the town needs but he has no desire to help anyone living there and has settled himself on one mission and one mission only revenge against the soldiers that left him for dead The Hunter has guit and no longer wants anything to do with justice for humans or stopping the evil things that feast on humanity's sorrows Evil grows throughout the town mortal evil and things far worse And when the sun sets that evil takes root and spreads like wildfire James A. Moore, 2025-06-10 There's nothing quite like a circus The Carnivale de Fantastique is an acrobatic and musical phenomenon a show based on the legends of a circus that vanished mysteriously half a century ago Every season the numbers grow the merchandising expands and the ticket sales explode This year things are a little different This year the star of the show was murdered and shipped to the next city in a cardboard box This year the acts are running into all sorts of troubles and even the police and the F B I are trying to figure out what s causing all the troubles Once upon a time there was a kid named Cecil He ran away joined the circus and then got murdered for his troubles Fifty years later he clawed his way out of Hell found the people who killed him and his circus and had his bloody revenge Since then he s been trying to find something to do with his time and now he s heard about the Carnivale de Fantastique a show based on the disappearance of the circus he traveled with Of course it s not a traditional circus This one has acrobats and dancers and actors and a story It s only missing one thing and it s just not funny When in doubt send in the clowns Dark Carnival Tames A. Moore, 2025-03-20 It began with a centuries old curse writ in blood It gave way to the hellish fury of the pack Now as night descends on Serenity Falls the fun really begins A widow is tortured to death by the husband she killed A collection of curious dolls has been discovered with a terrifying secret carved in each And then with a whistle that screams like Hell the circus arrives in town to raise a ruckus But the Carnival of the Fantastic is raising more than that It s raising the dead No one can save Serenity Falls now except the stranger known as the Hunter Only he can protect the innocent from the damned Because only he can tell them apart Where the Sun Goes to Die James A. Moore, 2025-06-10 They survived the nightmare

at Carson's Point but Jonathan Crowley the Hunter and his new associate Lucas Slate have only just begun their trek through the weird wild west All Crowley wants is to retire and catalog the creatures he s never before encountered in the Americas All Lucas Slate wants is to understand what is happening to his body and mind and why there is an endlessly changing song echoing through his head that will not leave him in peace Dark Gods Ghosts Werewolves and Spectral Trains are a few of the obstacles between what they want and what they get Collected for the first time the stories Black Train Blues The Devoted Blank White Page Songs in the Key of White and What Rough Beast co authored by Charles R Rutledge continue the story started in BOOMTOWN An additional never before published short story Where Did We Go Wrong finishes this collection of tales Jonathan Crowley is new to the Americas and heading Where the Sun Goes To Die while he examines a land full of mysteries and nightmares Won t you join him Gates of the Dead James A. Moore, 2019-01-01 The end times have come but it's not too late for a hero to strike back in the grimdark fantasy sequel to The Last Sacrifice and Fallen Gods Brogan McTyre started a war with the gods and he s going to end it Raging gods have laid waste to the Five Kingdoms Only Torema remains swollen with millions of refugees Their last hope lies in fleeing by sea but as storms tear at the coast even King Opar can t muster enough ships for them all Brogan and his warriors must fight the He Kisshi to reach the Gateway the sole portal for gods to enter the mortal world and the only place where they can be killed But the forces of creation have been unleashed and they ll destroy the world to reshape it
