through 966 entries packed with a wide variety of historical and pop culture subjects. Entries detail customs and traditions from around the world as well as classic Christmas movies, TV series specials, and animated cartoons. Arranged alphabetically by entry name, the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens, Louisa May Alcott, Hans Christian Andersen, Pearl Buck, Henry Van Dyke, and others. All things Christmas are available here in one comprehensive volume.

Merchant Vessels of the United States, 1989 *Is This the Fun Part?* Wayne Berry, 2009. *Is This The Fun Part* is an anthology of seven short stories dealing with life and the many unexpected and often life-altering events that seem to happen all too frequently. The title is tongue-in-cheek in that life can frequently be less than fun. These stories portray many of these unfunny scenarios: adultery, betrayal, murder, isolation, and obsession, with a few supernatural and science-fiction twists just for fun. How will the discovery of an often life-changing secret affect an unsuspecting young man? How will it change his life going forward? What will it take for a model son to come to grips with his own identity? Can he withstand the rigors of military service while repressing who he really is? How far can a stepmother push her stepson before he strikes back? Will a lifetime of being odd man out be the impetus for tragedy? Can an antique mirror hold the secret to happiness for a wealthy, reclusive, compulsive junk collector? How will advice from total strangers and his departed mother, from within the mirror, send love his way? Can an aging, heartbroken, ailing polio victim find healing from a very unlikely source? Can a lifetime of self-imposed isolation, after physical impairment, tragic loss, and personal disappointment, end on a high note? Could an unseen alien presence use one of the most warped of human minds to wreak havoc on an unsuspecting world? Could superstition be the cause of one's demise? Can belief make it so? **Sever Your Spine** Jasper Black, 2017-05-09. Henry and James can't catch a break, but Hell is catching up to them. On the run from what they fear is their worst nightmare, they may have fallen out of the fat and into the fire when they encounter a rogue demon. Charlie Banks is charismatic, charming, and vicious as they come. Also a fugitive of Hell's justice, he offers Henry and James shelter when they need it the most. But can he be trusted? A strange letter from Heaven delivers startling news. Lady might have an opportunity to dust off his old desk behind the pearly gates. But does he want such a chance, and what are the consequences of turning it down? There is blood in the streets and on the cupcakes. Nothing is certain in this city where terror reigns. *The Face on the Wall* Jane Langton, 2012-03-06. Scholar sleuth Homer Kelly comes to the aid of his artist niece who's implicated in a death in this taut, suspenseful, and absorbing whodunit. Kirkus Reviews: Life has not always been fair to Annie Swann. A bad marriage sullied her youth, but since her divorce, she has made enough money illustrating children's books to add a wing to her house. The new addition's focal point will be a thirty-five-foot blank wall where Annie plans an elaborate mural of the fairy tale characters who pay her bills. But as she paints, mysterious markings appear on the mural: first splotches, then a woman's face ringed with blond hair and covered in blood. It seems to point to the disappearance of Pearl Small, a Harvard student who took classes from Annie's aunt Mary. As Mary and

her husband professor and ex cop Homer Kelly look for Pearl Annie continues painting unaware that with each brushstroke she marks her wall with another layer of evil *United Editors Encyclopedia and Dictionary*, 1907 **Free Access to the Past** Lotte Eilskov Jensen, Joseph Theodoor Leerssen, Marita Mathijssen, 2010 Ranging across different countries and cultural domains museums opera literature history writing this collection explores the romantic historicist complexities at the root of the modern nation state how the past became both colourfully exotic and a matter of national identification and public interest [The New International Encyclopædia](#) Daniel Coit Gilman, Harry Thurston Peck, Frank Moore Colby, 1903
