Words on Cassette, 2002 R R Bowker Publishing,2002 **Forest and Stream ,1891** **The Illustrated London News ,1867** *Variety Film Reviews ,1938* The Justice Master Arthur Hall,2021-05-15 Inspector Lestrade brings Sherlock Holmes and Doctor Watson an account of six murders The only fact common to them all is that the victims had all served terms of imprisonment for serious crimes It appears that someone believes that they should have suffered execution and has set out to take the law into his own hands A note is found signed The Justice Master warning that he will not be deterred from his purpose nor does he spare anyone who gets in his way The inspector is angry with his superiors because he feels that their efforts to apprehend this man have been insufficient hence his consultation with The Great Detective The murders continue and Holmes with the occasional interference of an Old Bailey solicitor Mr David Grantly Knight resolves to bring the killer to justice The Justice Master proves to be as elusive as he is merciless and narrowly escapes a trap set by Holmes and Lestrade Then comes an encounter near Plantain Castle **The Last Sherlock Holmes Story** Michael Dibdin,2012-03-15 There can be no question that the contents of this book will prove extremely controversial Many people will be deeply shocked by the nature of Watson s statement Many will no doubt prefer to reject it rather than surrender the beliefs of a lifetime Others will at least regret that two of the great mysteries of crime are finally solved An extraordinary document comes to light which for fifty years had been held on deposit by the bankers of the deceased John Herbert Watson MD better known as Dr Watson The document written by Dr Watson himself opens in the East End of London in 1888 Three women have been savagely murdered To calm the public outcry Scotland Yard approaches London s most eminent detective Sherlock Holmes and asks him to investigate the killer Can Holmes solve the mystery of Jack the Ripper And why has this story been suppressed for so long *The Secret Cases of Sherlock Holmes* Donald Thomas,1999-05-21 Wedding fact with fiction a new novel continues the career of the master English detective and his sidekick Watson beyond the legendary 1903 retirement to solve a series of true crimes from the grisly murder of a prostitute to the alleged bigamy of King George V Reprint AB K *The One Hundred Per Cent Society* Arthur Hall,2015-04-09 Sherlock Holmes and Doctor Watson take on the case of Mr Avery Quill whose daughter has mysteriously disappeared The investigation has hardly begun when her body is discovered and Mr Quill is himself murdered in the same manner The killer leaves visiting cards emblazoned with the head of the Gorgon at the scenes of his crimes and Holmes connects these to a strange club known as The One Hundred per Cent Society He learns little there except that the members are all outcasts from noble families The following morning a visitor arrives at Baker Street to tell Holmes and Watson that the Society has a sinister purpose and that its leader has identified them as an obstacle to his plans which must be removed Thus begins a battle with a new and merciless adversary whose madness and thirst for revenge threaten to bring about the deaths of an apparently unconnected group of people The Great Detective pits his skills against an enemy whose very appearance is uncertain
