Unleashed Erwin Raphael McManus, 2011-05-02 Two thousand years later the call to follow Christ has been repacked to be smooth and trouble free filled with opportunity and promise but lacking risk passion and sacrifice Is this really what Jesus died for If He chose the way of the cross where would He hesitate leading us Is it

possible that to follow Jesus is to live your life completely unleashed Jesus never made a pristine call to a proper or safe religion Jesus beckons His followers to a path that is far from the easy road It is a path filled with adventure uncertainty and unlimited possibilities the only path that can fulfill the deepest longings and desires of your heart This is the barbarian way to give your heart to the only One who can make you fully alive To love Him with simplicity and intensity To unleash the untamed faith within To be consumed by the presence of a passionate and compassionate God To go where He sends you no matter the cost Previously released as *The Barbarian Way* **McManus 2-in-1 (Soul Cravings, Barbarian Way)** Erwin Raphael McManus, 2008-04-01 A collection of two titles authored by Erwin McManus *BARBARIAN WAY* Erwin McManus wasn't raised in a Christian home so when he came to Christ as a college student he didn't know the rules of the religious club He didn't do well in Shakespeare courses so he didn't really understand the KJV Bible he was given either But he did understand that prayer was a conversation and he learned to talk to God and wait for answers Erwin's way was passionate and rough around the edges a sincere barbaric journey to Christ *SOUL CRAVINGS* We can spend our whole lives trying to satisfy the one insatiable part of our being our soul craving Our capacity for spiritual experience both proves our need for something greater than ourselves and leaves us wanting when we fill it with anything but God Soul Cravings is a powerful down to earth exposition that interprets our need for intimacy meaning and destiny as common sense apologetics pointing to the existence of and our need for God The book will deeply stir the reader to consider and chase after the spiritual implications of their soul's deepest longings **When God Says No** Brenda Smit-James, 2019-04-26 A memoir and a book of wisdom Rev Andy Lambkin Brenda reminds us to live courageously in the face of adversity Fr Mark James O P What do we do when deep grief invades our lives How do we negotiate the unwelcomed journey we find ourselves on What do we do with our unspeakable pain Even more what do we do when we have asked God to spare the life of our loved one and he does not give the answer we hope for In *When God Says No* Brenda Smit James tells the story of her journey with grief following the untimely death of her mother a journey where she questioned God and his goodness questioned whether Jesus was worth following and questioned the relevance of the Christian life In telling her story Brenda shows us how grief can be engaged and not merely endured and how we can face the darkness of grief with quiet courage and in so doing find a way back into the light again [Erwin McManus 2-in-1 \(Soul Cravings and Barbarian Way\)](#) Erwin Raphael McManus, 2011-05-21 A collection of two titles authored by Erwin McManus *BARBARIAN WAY* Erwin McManus wasn't raised in a Christian home so when he came to Christ as a college student he didn't know the rules of the religious club He didn't do well in Shakespeare courses so he didn't really understand the KJV Bible he was given either But he did understand that prayer was a conversation and he learned to talk to God and wait for answers Erwin's way was passionate and rough around the edges a sincere barbaric journey to Christ *SOUL CRAVINGS* We can spend our whole lives trying to satisfy the one insatiable part of our being our soul craving Our capacity for spiritual experience both proves our need for something greater than ourselves

and leaves us wanting when we fill it with anything but God Soul Cravings is a powerful down to earth exposition that interprets our need for intimacy meaning and destiny as common sense apologetics pointing to the existence of and our need for God The book will deeply stir the reader to consider and chase after the spiritual implications of their soul s deepest longings [media.faith.culture: Parents 101](#) Brett Ullman,2011-09-19 Growing up we didn t have the Internet our friends didn t cut themselves and text messaging wasn t even on the radar Today s young people are bombarded by media of all kinds and have instant access to any subject and any topic of their choosing Their media saturated lives are inescapably inundated by chat rooms movies instant messaging and their ipods How do we help guide our children to live Godly lives amidst this kind of cultural climate Brett Ullman discusses from a parent s perspective sensitive topics affecting today s young people including cutting suicide substance abuse sex and violence Bringing hope and an awareness to today s parents Brett sheds light on how with increased knowledge of youth trends adults can be more discerning in their parenting strategies and better able to anticipate the needs of their children as they navigate the often challenging waters of adolescence [Branded Faith](#) Rajkumar Dixit,2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In Branded Faith Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in Branded Faith a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society [The Way of the Warrior](#) Erwin Raphael McManus,2021-08-24 A best selling author pastor futurist and cultural thought leader argues that to experience and establish inner peace we must first confront the battles that rage within Your longings for inner peace and deep purpose are attainable but they won t come easy They require a warrior s mentality Fighting for them requires passion perseverance and precision This is an invitation to an unflinchingly honest look at your interior life guided by the ancient principles and methods revealed through Scripture Erwin Raphael McManus delivers wisdom instills passion and provides the sacred movements needed to become the warrior you were meant to be We live in a time of global and personal chaos The world is at war because our souls are at war The path to peace begins with you overcoming your most frequent and fierce enemy

The Emerging Church Movement reacts against its roots in conservative evangelicalism by deconstructing contemporary Christianity Drawing on ethnographic observations from emerging congregations pub churches neo monastic communities conferences online networks and interviews in the US UK and Ireland Gerardo Marti and Gladys Ganiel provide a comprehensive social scientific analysis of the development and significance of the ECM The Gaithers and Southern

Gospel Ryan P. Harper,2017-04-26 In The Gaithers and Southern Gospel Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed

all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

God and Country Monique El-Faizy, 2008-12-05 In this important exploration of one of the most misunderstood phenomena of our day former fundamentalist Christian Monique El Faizy argues that evangelicals have become the new establishment constituting over 40% of our population by some estimates The 2004 Presidential election opened the eyes of many so called blue state Americans to the reach of evangelical Christianity yet much of the media and Hollywood still fail to understand the paradigm shift that has placed evangelicals in the American mainstream With the intimate perspective of a former insider God and Country takes readers past the edges of the evangelical community into its heart presenting an in depth look at megachurches Christian rock Christian publishing and the day to day lives of evangelical Americans El Faizy shows how by mimicking many elements of secular America and creating strong communities evangelical leaders lure converts by the thousands But while the public face of the movement has softened the conservative old guard still drives the political agenda Evangelicals see every aspect of their life through the prism of their faith their belief is central to every decision personal social or political To dismiss or miscast such an influential population would be a grave mistake Intelligent clear headed and piercing God and Country is essential reading for anyone interested in our nation s future

STIR Mindy Caliguire,2013-09-24 In the past church leaders have turned to small groups or other kinds of discipleship programs to encourage spiritual growth in their churches Yet despite good intentions the deeper spiritual life and transformation they had hoped for remained elusive STIR calls church leaders to reclaim an essential biblical truth that the process of spiritual growth is more than a one size fits all program it happens best through intentional relationships with others in the body of Christ Three distinct sequential stages of spiritual development typically occur as people mature in their spiritual walk with Christ and they need different kinds of relationships to support their growth through those different seasons STIR describes those stages learning together journeying together and following together and shows how progress into and through these stages is best made in the context of relationships that change in
