The Battle of Bubble and Squeak, by Philippa Pearce Anne Scott, 1985 **Adulthood in Children's Literature** Vanessa Joosen, 2018-09-06 While most scholars who study children s books are pre occupied with the child characters and adult mediators Vanessa Joosen re positions the lens to focus on the under explored construction of adulthood in children s literature Adulthood in Children s Literature demonstrates how books for young readers evoke adulthood as a stage in life enacted by adult characters and in relationship with the construction of childhood Employing age studies as a framework for analysis this book covers a range of English and Dutch children s books published from 1970 to the present Calling upon critical voices like Elisabeth Young Bruehl Margaret Morganroth Gullette Peter Hollindale Maria Nikolajeva and Lorraine Green and the works of such authors as Babette Cole Philip Pullman Ted van Lieshout Jacqueline Wilson Salman Rushdie and Guus Kuijer Joosen offers a fresh perspective on children s literature by focusing not on the child but the adult *Narratives of Love and Loss* Margaret Rustin, Michael Rustin, 2020-05-05 Why do some stories written for children have so powerful an emotional resonance for both child and adult readers This is the question addressed by Margaret and Michael Rustin in a book which offers a detailed critical reading of some of the best known modern British and American stories for children by writers such as E B White Philippa Pearce and C S Lewis The authors make use of psychoanalytical and sociological ideas in their approach interpreting the stories both as metaphors of states of feeling often experienced by children and as images of the wider society in which they are written A particular theme of their discussion is personal and imaginative growth in childhood and the ways this can be affected both for better and worse by separation and loss In their detailed consideration of the narratives of the stories the authors avoid theoretical jargon and concentrate on works which have interest and

meaning for adult readers as well as children Narratives of Love and Loss is an important and accessible book which will be of special interest to parents and teachers concerned with children s reading and imaginative play and to those working in the fields of psychoanalysis English literature and popular culture **Written for Children** John Rowe
