Cochran,David VanDrunen,2013-09-01 The Bible is full of law Yet too often Christians either pick and choose verses out of context to bolster existing positions or assume that any moral judgment the Bible expresses should become the law of the land Law and the Bible asks What inspired light does the Bible shed on Christians participation in contemporary legal systems It concludes that more often than not the Bible overturns our faulty assumptions and skewed commitments rather than bolsters them In the process God gives us greater insight into what all of life including law should be Each chapter is cowritten by a legal professional and a theologian and focuses on a key aspect of the biblical witness concerning civil or positive law that is law that human societies create to order their communities implementing and enforcing it through civil government A foundational text for legal professionals law and prelaw students and all who want to think in a faithfully Christian way about law and their relationship to it *Canadian Books in Print* ,1999 **Canadian Books in Print.
